HP 1000 Printer Review. The HP LaserJet 1000 laser printer is designed for the personal user or small office. High quality printing and simple usability are assets, but slower speeds might hold some buyers back. If a color printer is required at similar print speeds, the LaserJet 2500 toner printer should be considered.

Mergers and Acquisitions: Text and Cases provides guiding frameworks and information on Mergers and Acquisitions (M&A), complemented by a set of well-matched cases. The purpose is not to rehash the existing set of M&A books, but to provide real-world examples of situations that allow the reader to utilize the core concepts and processes in M&A. The authors present a process-based framework of M&A, within which the reader is given in-depth information about the steps in doing deals. The reader then has the ability to apply these concepts and frameworks to the full-length cases. The book can be used as a stand-alone text because it provides good coverage of the entire M&A process. In order to more specifically focus on any particular aspect of M&A, the text can easily be supplemented with focused materials.
