months to fulfil a lifelong dream.

At every turn Adrian is adopted by a vast array of characters each with stories to tell and who, extraordinarily, expect nothing in return; tough Siberian truck drivers, frontier road workers, border guards, desperate villagers, drug-addled soldiers and crazy modern-day traders, each insisting that he join them in their homes to share their lives and most of their provisions. It is these encounters which provide such a rich and compelling subtext to his extraordinary journey.

Off-road riding is one of motorcycling's most popular pursuits and also one of its best training grounds for improving street-riding skills. Off-road riding takes many forms, from motocross and enduro racing, to dual-sport day trips, to trail riding, to adventure tours. No matter the specific pursuit, all dirt riding (and much street riding) shares the same basic skill set. How to Ride Off-Road Motorcycles schools the reader in all the skills necessary to
