To achieve in their higher education studies students have to develop excellent research and writing skills. Without these skills it is unlikely that students will achieve the levels required to move beyond undergraduate studies. "Assignment & Thesis Writing" is destined to become a classic, as its Australian predecessor, with students in higher education. The book has now been adapted with local examples to ensure relevance for students in South African institutions.

This book has been one of the most successful guides for students since the first edition was published in 1970. It is a standard reference to assist students in writing essays, assignments, tutorial papers, dissertations and theses. The information is clear and easy to find, and the complexities of formal research and writing are concisely and lucidly explained.
