Government is not getting the most out of the £70 million it spends on internal audit because the service does not always focus on the right issues and it is often not of sufficient quality to be useful in decision-making. 84 per cent of respondents to an NAO consultation considered internal audit added some or substantial value to

File Type PDF Internal Audit Case Study Examples

their organisation, but had concerns over the current depth of insight, relevance and underlying execution of internal audit work. Many key stakeholders believe that internal audit work is not sufficiently tailored to be relevant to the different issues facing individual organisations. Treasury guidance on what internal audit

File Type PDF Internal Audit Case Study Examples

should deliver is not sufficiently specific and there is little consistency in the application of standards. Variations in quality and coverage mean that the NAO often cannot take assurance from internal audit work. There are specific areas where internal audit could be more effective: the usefulness and relevance of reports; the

expertise of staff, including expertise on IT-based information systems; the identification of efficiencies in the organisation; and the ability to offer advice to senior management. HM Treasury's Internal Audit Transformation Programme is a partial solution to the issues identified by the NAO, but needs
