Kick back and relax while cruising down the river on an Intex® inflatable boat with this motor mount kit. The kit lets you attach up to a 3.5-horsepower motor to the rear of your Intex® boat, so you can rest your paddling arms and float in comfort. The mount, made of marine plywood with aluminum support arms, attaches and detaches easily, so you don't have to spend a half hour fussing with ...

Motor Mount Kit - Intex Recreation Corp.

For medium to larger boats, the trolling motor fastens to the bow and is used as a secondary means of propulsion for exact placement for fishing when a large engine would scare fish away. In both instances, these motors run silent and are battery-powered, and can be used as a positioning aid when fishing or merely enjoying time on the waves.

Gregory Bateson was a philosopher, anthropologist, photographer, naturalist, and poet, as well as the husband and collaborator of Margaret Mead. This classic anthology of his major work includes a new Foreword by his daughter, Mary Katherine Bateson. 5 line drawings.

Air pollution is recognized as one of the leading contributors to the global environmental burden of disease, even in countries with relatively low concentrations of air pollution. Air Pollution: Health and Environmental Impacts examines the effect of this complex problem on human health and the environment in different settings around the world. I

Fully revised and updated guide with a new bait section and even more Australian fish species detailed! This book is an invaluable reference for any angler, freshwater or saltwater, wanting to identify their catch. It contains detailed descriptions and accurate illustrations of each fish, as well as diagrams of the best rigs to catch them.

This book helps people find sensitive information on the Web. Google is one of the 5 most popular sites on the internet with more than 380 million unique users per month (Nielsen/NetRatings 8/05). But, Google's search capabilities are so powerful, they sometimes discover content that no one ever intended to be publicly available on the Web including: social security numbers, credit card numbers, trade secrets, and federally classified documents. Google Hacking for Penetration Testers Volume 2 shows the art of manipulating Google used by security professionals and system administrators to find this sensitive information and "self-police their own organizations. Readers will learn how Google Maps and Google Earth provide pinpoint military accuracy, see how bad guys can manipulate Google to create super worms, and see how they can "mash up" Google with MySpace, LinkedIn, and more for passive reconnaissance. [] Learn Google Searching Basics Explore Google's Web-based Interface, build Google queries, and work with Google URLs. [] Use Advanced Operators to Perform Advanced Queries Combine advanced operators and learn about colliding operators and bad search-fu. [] Learn the Ways of the Google Hacker See how to use caches for anonymity and review directory listings and traversal techniques. [] Review Document Grinding and Database Digging See the ways to use Google to locate documents and then search within the documents to locate information. [] Understand

This practical text advises on how to choose the correct inflatable boat, how to equip it properly, and how to use and maintain it.

This updated fifth edition of Encyclopedia of Management covers more than 300 topics in management theories and applications, written by academics and business professionals. All information has been reviewed and edited by the esteemed Dr. Marilyn M. Helms, sesquicentennial endowed chair and professor of management at Dalton State College.

With this newly updated edition, the experts show you how to make your dreams of starting a business come true!

This completely revised and expanded 6th edition, now in the A4 format so popular among owners of 4WD vehicles, features 18 of the best four-wheel drive day and weekend treks within a few short hours' drive of Sydney. This is one of Boiling Billy's best-selling titles, with over 85,000 copies sold of previous editions. Expert route directions read in forward and reverse as well as featuring both GPS Lat/Long and UTM Grid References. Treks include: Yengo National Park, Abercrombie Trek, Tianjara Fire Trail, The Bridle Track, Dixons Long Point, Caves to Caves, Watagan Mountains, Sunny Corner Trek, Touring the Turon, Trek to Newnes, Baal Bone Gap, Stockton Beach, Chichester Forest, Barrington Tops and The Hunter Ranges. As a bonus the authors have provided details on walking tracks to explore and lookouts to take in the vistas which can be found along the route. Each tour is complimented with detailed trek maps covering the route taken along with a regional road atlas. Stunning fully colour photography provides inspiration to get out and explore the best 4WD destinations in the Sydney region.
