seven-year-old Nora McInerny Purmort bounced from boyfriend to dopey “boyfriend” until she met Aaron—a charismatic art director and comic-book nerd who once made Nora laugh so hard she pulled a muscle. When Aaron was diagnosed with a rare form of brain cancer, they refused to let it limit their love. They got engaged on Aaron’s hospital bed and had a baby boy while he was on chemo. In the period that followed, Nora and Aaron packed fifty years of marriage into the three they got, spending their time on what really matters: Buffy the Vampire Slayer, each other, and Beyoncé. A few months later, Aaron died in Nora’s arms. The obituary they wrote during Aaron’s hospice care revealing his true identity as Spider-Man touched the nation. With *It’s Okay to Laugh*,

Nora puts a young, fresh twist on the subjects of mortality and resilience. What does it actually mean to live your “one wild and precious life” to the fullest? How can a joyful marriage contain more sickness than health? How do you keep going when life kicks you in the junk? In this deeply felt and deeply funny memoir, Nora gives her readers a true gift—permission to struggle, permission to laugh, permission to tell the truth and know that everything will be okay. *It's Okay to Laugh* is a love letter to life, in all its messy glory; it reads like a conversation with a close friend, and leaves a trail of glitter in its wake. This book is for people who have been through some shit. This is for people who aren't sure if they're saying or doing the right thing (you're not, but nobody is). This is for people who had

their life turned upside down and just learned to live that way. For people who have laughed at a funeral or cried in a grocery store. This is for everyone who wondered what exactly they're supposed to be doing with their one wild and precious life. I don't actually have the answer, but if you find out, will you text me?

This isn't a cancer story. It's a love story. In 2006, Aaron met Nora. She doesn't remember this. In 2010, Aaron and Nora met again and fell in love, fast and hard. Less than a year later, Aaron, aged thirty-two, had two seizures at work which led to an MRI, revealing a brain tumour in his frontal lobe. They immediately decided to get married. After three years of not just being alive but living life to its fullest, Aaron and Nora decided to write

Aaron's obituary together. It begins, 'Purmort, Aaron Joseph age 35, died peacefully at home on November 25 after complications from a radioactive spider bite that led to years of crime-fighting and a year-long battle with a nefarious criminal called Cancer, who has plagued our society for too long.' Aaron's obituary soon spread to every corner of the Internet, from DailyMailOnline and Time.com to TheWashingtonPost.com and HuffingtonPost.com. Their story struck a chord. In *It's Okay To Laugh (Crying is Cool Too)*, Nora takes readers on her journey with Aaron. What she discovers is that even the darkest of times reveal the very best in us and the very best in others. Their joys are happier. Their sadness is more poignant. Life is more intense in every way. Aaron taught Nora that there is

A tragicomic story of bad dates, bad news, bad performances, and one girl's determination to find the funny in high school from the author of Denton Little's *Deathdate*. Winnie Friedman has been waiting for the world to catch on to what she already knows: she's hilarious. It might be a long wait, though. After bombing a stand-up set at her own bat mitzvah, Winnie has

Read Online Its Okay To Laugh Crying Is Cool Too

kept her jokes to herself. Well, to herself and her dad, a former comedian and her inspiration. Then, on the second day of tenth grade, the funniest guy in school actually laughs at a comment she makes in the lunch line and asks her to join the improv troupe. Maybe he's even . . . flirting? Just when Winnie's ready to say yes to comedy again, her father reveals that he's been diagnosed with ALS. That is . . . not funny. Her dad's still making jokes, though, which feels like a good thing. And Winnie's prepared to be his straight man if that's what he wants. But is it what he needs? Caught up in a spiral of epically bad dates, bad news, and bad performances, Winnie's struggling to see the humor in it all. But finding a way to laugh is exactly what will see her through. **A Junior Library Guild Selection**

Read Online Its Okay To Laugh Crying Is Cool Too

The author of *It's Okay to Laugh and Crying Is Cool Too* and host of the popular podcast *Terrible, Thanks for Asking*—interviews that are “a gift to be able to listen [to]” (*New York Times*)—returns with more hilarious meditations on her messy, wonderful, bittersweet, and unconventional life. Life has a million different ways to kick you right in the chops. We lose love, lose jobs, lose our sense of self. For Nora McInerny, it was losing her husband, her father, and her unborn second child in one catastrophic year. But in the wake of loss, we get to assemble something new from whatever is left behind. Some circles call finding happiness after loss “Chapter 2”—the continuation of something else. Today, Nora is remarried and mothers four children aged 16 months to 16 years.

Read Online Its Okay To Laugh Crying Is Cool Too

While her new circumstances bring her extraordinary joy, they are also tinged with sadness over the loved ones she's lost. Life has made Nora a reluctant expert in hard conversations. On her wildly popular podcast, she talks about painful experiences we inevitably face, and exposes the absurdity of the question "how are you?" that people often ask when we're coping with the aftermath of emotional catastrophe. She knows intimately that when your life falls apart, there's a mad rush to be okay—to find a silver lining, to get to the happy ending. In this, her second memoir, Nora offers a tragicomic exploration of the tension between finding happiness and holding space for the unhappy experiences that have shaped us. *No Happy Endings* is a book for people living life after life has

Read Online Its Okay To Laugh Crying Is Cool Too

fallen apart. It's a book for people who know that they're moving forward, not moving on. It's a book for people who know life isn't always happy, but it isn't the end: there will be unimaginable joy and incomprehensible tragedy. As Nora reminds us, there will be no happy endings—but there will be new beginnings.

From the host of the popular podcast, *Terrible, Thanks for Asking*, comes a wise, humorous roadmap and caring resource for anyone going through the loss of a loved one—or even a difficult life moment. In the span of a few weeks, thirty-something Nora McInerny had a miscarriage, lost her father to cancer, and lost her husband due to a brain tumor. Her life fell apart. What Nora discovered during this dark

time is that, when you're in these hard moments, it can feel impossible to feel like even a shadow of the person you once were. People will give you all sorts of advice of how to hold onto your sanity and sense of self. But how exactly? How do you find that person again? Welcome to The Hot Young Widows Club, Nora's response to the toughest questions about life's biggest struggles. The Hot Young Widows Club isn't just for people who have lost a spouse, but an essential tool for anyone who has gone through a major life struggle. Based on her own experiences and those of the listeners dedicated to her podcast, Terrible, Thanks for Asking, Nora offers wise, heartfelt, and often humorous advice to anyone navigating a painful period in their lives. Full of practical guidance, Nora also reminds us that it's still

Read Online Its Okay To Laugh Crying Is Cool Too

okay to laugh, despite your deep grief. She explores how readers can educate the people around them on what to do, what to say, and how to best to lend their support. Ultimately, this book is a space for people to recognize that they aren't alone, and to learn how to get through life's hardest moments with grace and humor, and even hope.

Your tears are strength! The world has conditioned us to believe that tears are equivalent to being a coward or allowing fear to consume us. That is far from the truth. Yes, our tears display our current level of emotion like fear, anger or frustration but that does not equate to weakness. Have you ever noticed the feeling of relief after crying or how we can laugh so hard that tears form in our eyes. Our
