the slightly more civilized Wrangler, the Jeep has become an American icon. Jeep has maintained its popularity by updating and modernizing the traditional two-door, removable-top Jeep without watering down its off-road capability. Jeep owners love to personalize their vehicles and modify them for better performance on and off road. In High-Performance Jeep Wrangler TJ Builder's Guide, author Christian Lee explains how to upgrade your Wrangler's suspension, axles, differentials, engine, transfer case, wheels and tires, skid plates, and more, using aftermarket and salvage-yard upgrades. This book includes over 300 full-color images and drawings to show beginners and experienced Jeepers how to do things right. Lee even has special sections for basic driving and recovery technique, and a few built-up Jeeps to give you ideas for your own Wrangler.

Teens are targeted as consumers more and more. This gives them tremendous influence, but it also sets them up to be taken advantage of. "The Complete Idiot's Guide to Money for Teens" teaches them how to get money, save and invest it, budget it, spend it wisely, and keep track of it. Whether they're saving for their first car, trying to make sense of a checking account statement, or trying to establish a good credit history, this guide has solid information and teen-tested tips.
