teaching of French language and culture. This thematically organized program combines a process-oriented approach to language skills development with carefully sequenced practice that leads beginning students to self-expression in French. Learners are encouraged to discover culture through authentic materials, tasks, and an expansive cultural perspective that embraces metropolitan France and the Francophone world. In addition, *Chez nous, 3/e* offers a full complement of supplementary materials--including a printed Student Activities Manual (SAM) or an electronic version via OneKey, an integrated video program filmed with native speakers, and a wealth of interactive practice on the *Chez nous Companion Website*--to help learners develop their listening, reading, speaking and writing skills in French.

A lively gift book, the first in a new series *For the Wild at Heart*.

"The European Conference of Ministers of Transport has released a report that analyzes the gap between fuel efficiency certification test ratings and the actual on-road fuel efficiency of automobiles. The report also examines technologies available that c

Whether the vessel of alien invaders or a labyrinth from the far future, battles from beyond time and space unfold on Pathfinder Flip-Mat: Tech Dungeon. With a distinct technological dungeon on each side, this durable accessory can serve as a setting for exploration, battle, or anything in-between in any tabletop fantasy or sci-fi campaign. This portable, affordable map measures 24" x 30" unfolded, and features a coated surface designed to can handle any dry erase, wet erase, or even permanent marker. Note: Price includes VAT.

Available in print and in electronic format via OneKey, the SAM provides a range of 5-skills practice that reinforces and builds upon the material presented in the textbook. The workbook section of the SAM features sentence building and completion exercises, fill-ins, realia and art based activities, sequenced writing practice, reading comprehension activities, and additional practice with the cultural theme of the Venez chez nous! lesson. Correlated to recorded material on the Audio CDs to Accompany the SAM, the lab manual offers a progression of form- to content-based listening practice. The new video manual section provides pre, during, and post-viewing activities that focus students' attention on both the linguistic and cultural content of the Chez nous Video.
