05/23/2016 02:20 pm ET Updated Dec 06, 2017. Pianist Jeffrey Biegel 's latest recording, Manhattan Intermezzo, is a gathering of piano concertos composed by a quartet of major leaguers in popular music: George Gershwin, Duke Ellington, Neil Sedaka, and Keith Emerson (of ELP - Emerson, Lake and Palmer). It recounts a time when each of the artists had taken a hiatus from his immediate musical corner to fashion an opus for piano and orchestra - and custom-tailor it for concert hall presentation.

Keith Emerson uses elements from J.S Bach to Brubeck as well as influences of many classical european composers. The Emerson plays Emerson is a must have for any pianist with an open mind to discover a whole new world of great piano music.

~~Selections from Emerson Plays Emerson and Other Works ...~~

The transcriptions were created by a group of fans of Keith's music and the book initially was intended to focus specifically on the compositions from the 2002 Emerson Plays Emerson album. However, the project eventually expanded to include other pieces, including "Piano Concerto No. 1" from the 1977 ELP album Works, Vol. 1 .

~~New book of fan-created transcriptions of Keith Emerson...~~

My piano teacher, Mrs. Smith, always told me not to choose the obvious from the classical repertoire so Tchaikovsky's Piano Concerto No.1 was definitely out. Although it was fun to copy B. Bumble and The Stingers version of The Nutcracker Suite, I took all my other classical adaptations seriously to the point of seeking the composer's (if alive) approval.

~~Official Keith Emerson Website - Ask Emo~~

Keith Noel Emerson (2 November 1944 – 11 March 2016) was an English keyboardist, songwriter, and film composer. He played keyboards in a number of bands before finding his first commercial success with the Nice in the late 1960s. He became internationally famous for his work with the Nice, which included writing rock arrangements of classical music. ...

Titles: * Grand Canyon Suite: Sunrise * Painted Desert * On the Trail * Sunset * Cloudburst

In this book, the glory days of progressive rock are relived in a series of insightful essays about the key bands, songwriters and songs that made prog-rock such an innovative style.

First Published in 2005. Routledge is an imprint of Taylor & Francis, an informa company.

Keyboard legend Keith Emerson is one of the most important figures to emerge from the thriving rock scene of the sixties and seventies. Fusing rock 'n' roll with classical, jazz, and world music, he has set a standard by which others are judged. With Greg Lake and Carl Palmer, he formed the hugely successful Emerson, Lake and Palmer, who, between 1970 and 1977, released six platinum albums. Now in this insightful and irreverent memoir, Emerson tells uproarious tales of life on the road, tales of the high lifestyle that goes with being a rock star, and of course, tales of the outrageous, barrier-shattering music he produced.

Greg Lake first won acclaim as lead vocalist, bass guitarist and producer when, together with Robert Fripp, he formed King Crimson. Their first album, the landmark In the Court of the Crimson King, co-produced by Greg, featured the iconic song '21st Century Schizoid Man'. King Crimson pioneered progressive rock and paved the way for many famous bands that followed, from Yes and Genesis to the Red Hot Chili Peppers. In 1970 Greg met fellow legend Keith Emerson during a North American tour; the two shared common bonds: European musical influences and a desire to reinterpret classical works while creating a new musical genre. After being introduced to drummer Carl Palmer, they formed the first progressive rock supergroup Emerson, Lake and Palmer. To date ELP has sold over 50 million records. Lake produced Emerson, Lake & Palmer, Tarkus, Pictures at an Exhibition, Trilogy, Brain Salad Surgery, Works Vol. 1 and 2, and two different live albums. All went platinum and featured a series of hit singles, most written and all sung by Lake. The three created a unique live theatrical performance which featured Emerson attacking his keyboards with knives, Palmer playing a 2.5 ton stainless steel kit and Lake performing on a £ 6,000 Persian rug which had its own roadie. One of their very first performances was at the historic Isle of Wight Festival in 1970 and they went on to headline California Jam, one of the biggest concerts of the 1970s, attended by 350,000 people. Probably the voice of his generation, Greg fronted the greatest rock supergroup of the 1970s but never held with the 'progressive' tag that attached itself to both the music and the excess. Lucky Man not only charts the highs and lows of a career in rock music but also reflects on the death of Keith Emerson last year, living with terminal cancer and the end of life. Greg can best be summed up by his now-famous line: 'Material wealth is a very fleeting pleasure ... when you can buy anything you want and do anything you want, you soon discover that you actually don't want any of it.'

This treasury of piano works from one of the 20th century's most influential composers includes the dancelike Allegro Barbaro, a sonorous, boisterous piece of power and bravura; 15 Hungarian Peasant Songs; 6 Rumanian Folk Dances; 20 Rumanian Christmas Carols; and 8 Improvisations on Hungarian Peasant Songs. Musical gems for pianists at intermediate and advanced skill levels.

Daniels' Orchestral Music is the gold standard reference for conductors, music programmers, librarians, and any other music professional researching an orchestral program. This sixth edition, celebrating the fiftieth anniversary of the original work, includes over 14,000 entries with a vast number of new listings and updates.

A performer's edition of the most often performed organ works of the renowned Virgil Fox. This collection includes his markings, registrations and performance hints. 29 pieces are included ranging from chorale settings, Christmas music, transcriptions of choral and orchestral works to an exciting arrangement of 'The Star-Spangled Banner.' Titles: * Adagio from Vivaldi 's Concerto in D minor (J.S. Bach) * Adagio Cantabile (J.S. Bach) * Arioso (J.S. Bach) * Cantabile Symphonique (Camille Saint-Saens) * Come Sweetest Death, Come Blessed Rest (J.S. Bach) * Echo Noel (Louis Claude D ' Aquin) * Fanfares from Parsifal (Richard Wagner) * Giga (M. Enrico Bossi) * Good King Wenceslas (Traditional) * Hallelujah Chorus from Messiah (George Frideric Handel) *In Dulci Jubilo (Traditional) * In Dulci Jubilo (J.S. Bach) * In Dulci Jubilo (Franz Liszt) * Joy to the World (George Frideric Handel) * Libera Me from Requiem (Gabriel Faure) * Nocturne from Shylock (Gabriel Faure) * Noel Sue Les Flutes (Louis Claude D ' Aquin) * Now Thank We All Our God (J.S. Bach) * O Little Town of Bethlehem (Traditional) * Pastoral Symphony from Messiah (George Frideric Handel) * Perpetuum Mobile (Wilhelm Middleschulte) *Rigaudon from Idomenee (Andre Campra) * Schmucke Dick, O Liebe Seele (J.S. Bach) * Schmucke Dick, O Liebe Seele (Johannes Brahms) * Sheep May Safely Graze (J.S. Bach) * Silent Night (Franz Gruber) * Simple Gifts (Traditional) * The Star-Spangled Banner (Traditional) * Ye Sweet Retreat (William Boyce)

Emerson, Lake & Palmer were, without question, one of the greatest rock bands of the 1970s. Selling millions of albums across the globe, and with all three members winning awards for their dazzling musical ability, ELP were no ordinary group. Superlative in every aspect, with a pioneering attitude, they were adored by their legions of fans, none more so than in the USA, where they toured widely in the first half of the decade. Considered one of the genre-founding bands of progressive rock, ELP were the embodiment of the dinosaurs that punk sought to kill. However, just like their peers - Yes, Genesis and Pink Floyd - they survived punk's onslaught, continuing to make albums until the mid-90s and touring right until their final concert, a headlining performance at London's High Voltage Festival in 2011. This book charts their rise, from the origins of each member in The Nice, King Crimson and Atomic Rooster respectively, via every track on all nine of their studio albums recorded between 1970 and 1994. Key recorded live performances - such as 1971's Pictures at an Exhibition - are also included. In addition, there are overviews on all three member's solo projects, together with the albums and singles they made before forming ELP. With informed insight and information, this is the ultimate guide to the band's music - a must-own companion to Emerson, Lake & Palmer's recorded legacy.
