In Killer Apes, Naked Apes, and
Just Plain Nasty People,

Get Free Killer Apes Apes And Just Plain Nasty

anthropologist Richard J. Perry delivers a scathing critique of determinism. Exploring the historical context and enduring popularity of the movement over the past century and a half, he debunks the facile and the reductionist thinking of so many

Get Free Killer Apes Apes And Just Plain Nasty

popularizers of biological
determinism while considering
why biological explanations have
resonated in ways that serve to
justify deeply conservative points
of view.

"The chapters in this book [posit]

Get Free Killer Apes Apes And Just Plain Nasty

that humans clearly have the capacity to make war, but since war is absent in some cultures, it cannot be viewed as a human universal. And counter to frequent presumption, the actual archaeological record reveals the recent emergence of war. It does

Get Free Killer Apes Apes And Just Plain Nasty

not typify the ancestral type of human society, the nomadic forager band, and contrary to widespread assumptions, there is little support for the idea that war is ancient or an evolved adaptation. Views of human nature as inherently warlike stem

Get Free Killer Apes Apes And Just Plain Nasty

not from the facts but from
cultural views embedded in
Western thinking"--Amazon.com.

Russell Tuttle synthesizes a vast

I'm Eddie Drood. AKA Shaman
Bond, a member of the Drood
family. We Droods have been
holding back the forces of

Get Free Killer Apes Apes And Just Plain Nasty

darkness for generations. It's a hell of a job—and we're good at it... But now, the Droids have hit a bad patch, what with the death of our Matriarch and the discovery that she was killed by one of our own. It's left us in more than a bit of disarray, and it

Get Free Killer Apes Apes And Just Plain Nasty

People Without Saying That Those
forces of darkness are taking
advantage of the situation.

There's a Satanic Conspiracy
brewing—one that could throw
humanity directly into the
clutches of the Biggest of the Big
Bads, forever. Things are looking

Get Free Killer Apes Apes And Just Plain Nasty

grim—and here I am, not able to
be of any help. On account of I'm
dead...

Man the Hunted argues that
primates, including the earliest
members of the human family,
have evolved as the prey of any

Get Free Killer Apes Apes And Just Plain Nasty

number of predators, including wild cats and dogs, hyenas, snakes, crocodiles, and even birds. The authors' studies of predators on monkeys and apes are supplemented here with the observations of naturalists in the field and revealing interpretations

Get Free Killer Apes Apes And Just Plain Nasty

of the fossil record. Eyewitness accounts of the 'man the hunted' drama being played out even now give vivid evidence of its prehistoric significance. This provocative view of human evolution suggests that countless adaptations that have allowed our

Get Free Killer Apes Apes And Just Plain Nasty

species to survive (from larger brains to speech), stem from a considerably more vulnerable position on the food chain than we might like to imagine. The myth of early humans as fearless hunters dominating the earth obscures our origins as just one of

Get Free Killer Apes Apes And Just Plain Nasty

many species that had to be cautious, depend on other group members, communicate danger, and come to terms with being merely one cog in the complex cycle of life.

Travis Rayne Pickering argues

Get Free Killer Apes Apes And Just Plain Nasty

that the advent of ambush
hunting approximately two million
years ago marked a milestone in
human evolution, one that
established the social dynamic
that allowed our ancestors to
expand their range and diet. He
challenges the traditional link

Get Free Killer Apes Apes And Just Plain Nasty

between aggression and human predation, however, claiming that while aggressive attack is a perfectly efficient way for our chimpanzee cousins to kill prey, it was a hopeless tactic for early human hunters, who—in comparison to their large,

Get Free Killer Apes Apes And Just Plain Nasty

potentially dangerous prey—were small, weak, and slow-footed. Technology that evolved from wooden spears to stone-tipped spears and ultimately to the bow and arrow increased the distance between predator and prey and facilitated an emotional

Get Free Killer Apes Apes And Just Plain Nasty

detachment that allowed hunters to stalk and kill large game.

Based on studies of humans and of other primates, as well as on fossil and archaeological evidence, Rough and Tumble offers a new perspective on human evolution by decoupling

Get Free Killer Apes Apes And Just Plain Nasty

ideas of aggression and predation
to build a more realistic
understanding of what it is to be
human.

"Darwinism and war: science or
religion? argues that the different
perspectives of Christians and

Get Free Killer Apes Apes And Just Plain Nasty

Darwinians on the nature and causes of warfare reveal them to be playing the same game, offering not so much scientific or empirical explanations but rival value-laden analyses, suggesting we have less a science-religion conflict and more one between

Get Free Killer Apes Apes And Just Plain Nasty

two rival religious visions -
Christianity and a form of secular
Darwinian humanism"--

Upstate New Yorker Baz
Rathbone makes ends meet by
selling human skulls. By contract,
he should cremate them, but he

Get Free Killer Apes Apes And Just Plain Nasty

doesn't. His little business comes to the attention of the FBI when a woman spots her late husband's skull being used as a candlestand by a skinhead (she recognizes the skull from a distinctive Texas-shaped bone flap). The feds' investigation ultimately takes

Get Free Killer Apes Apes And Just Plain Nasty

them to Moose Wallow, Maine,
where they interview assistant
mortician Lazlo Wetzko and his
taxidermist friend, Uliba
Helmsman, two loveable
potheads. When Uli, Lazlo, and
Laz's girlfriend, Annette
Fibrowski, travel from Maine to

Get Free Killer Apes Apes And Just Plain Nasty

the Carolinas to pick up a
preserved human body and also
the carcass of an orangutan —
the former for burial in Maine and
the latter to be stuffed for a zoo
near Charlotte -- chaos ensues.
Through a complex set of
connections, Baz Rathbone hires

Get Free Killer Apes Apes And Just Plain Nasty

an inexpensive-but-stupid hood to steal the ape, whose skull would bring in serious money, but the heist goes wrong. Justice is eventually served, but only after a hilarious set of misadventures.
