his memory for natural scenery, arising from the acuteness of his observation. This journal also reveals to what an extent his teaching is inspired by his closeness to nature. Throughout, Krishnamurti refers to himself in the third person as "he", and incidentally he tells us something about himself which he has not done before. M. L.

Krishnamurti's last journal, spoken into a tape recorder at his home, Pine Cottage, in the Ojai Valley, brings the reader close to this renowned spiritual teacher. Dictated in the mornings, from his bed, undisturbed, Krishnamurti's observations are captured here in all their immediacy and candor, from personal reflections to poetic musings on nature and a serene meditation on death. Reflecting the culmination of a life of spiritual exploration, these remarkable final teachings engage and enlighten.

When Krishnamurtis Notebook first became available in 1976, it was soon realized that it was a spiritually unique document giving his perceptions and experiences and describing his states of consciousness. It is a kind of diary but one that is little concerned with the day to day process of living, though very much aware of the natural world.

This comprehensive record of Krishnamurti's teachings is an excellent, wide-ranging introduction to the great philosopher's thought. With among others, Jacob Needleman, Alain Naude, and Swami Venkatasananda, Krishnamurti examines such issues as the role of the teacher and tradition; the need for awareness of 'cosmic consciousness; the problem of good and evil; and traditional Vedanta methods of help for different levels of seekers.

"The material contained in this volume was originally presented in the form of talks to students, teachers and parents in India, but its keen penetration and lucid simplicity will be deeply meaningful to thoughtful people everywhere, of all ages, and in every walk of life. Krishnamurti examines with characteristic objectivity and insight the expressions of what we are pleased to call our culture, our education, religion, politics and tradition; and he throws much light on such basic emotions as ambition, greed and envy, the desire for security and the lust for power – all of which he shows to be deteriorating factors in human society. From the Editor's Note"Krishnamurti's observations and explorations of modern man's estate are penetrating and profound, yet given with a disarming simplicity and directness. To listen to him or to read his thoughts is to face oneself and the world with an astonishing morning freshness. Anne Marrow Lindbergh

Discussions which raise central psychological and spiritual issues facing mankind. They should help to elucidate many points for those already familiar with the author's ideas. Others, reading him for the first time, may be struck by the clarity of his insights and their challenging message.

The passages in this Study Book have been taken directly from KThe passages in this Study Book have been taken directly from Krishnamurti's talks and books from 1933 through 1967. The compilers began by reading all the passages from this period which contained the phrase choiceness awareness the theme of this book. This would not have been possible without the use of a searchable full-text database, the 'Krishnamurti Text Collection', produced by the Krishnamurti Foundation Trust, England.Over 600 passages were studied in all, and the aspects of choiceness awareness most frequently addressed by Krishnamurti were noted. These aspects thenformed the outline for the contents of this book.The material selected has not been altered from the way it was originally printed except for limited correction of spelling, punctuation, and missing words. The only other change to the text is the use of ellipses. Ellipses introducing a passage, or ending it, indicate that the passage begins or ends in mid-sentence. Ellipses in the course of a passage indicate words or sentences omitted.Krishnamurti spoke from such a large perspective that his entire vision was implied in any extended passage. If one wishes to see how a statement flows out of his whole discourse, one can find the full context from the references at the foot of each passage. These refer primarily to talks which have been published in The Collected Works of J. Krishnamurti.
