Learn how to write 250 of the commonest Chinese characters, with stroke by stroke guidance on every page. With thousands of characters

to learn, beginning to read and write Chinese is a daunting task. Aimed at learners, this book takes you through 250 of the commonest characters in a clear and accessible way. The meaning of every character is explained along with information about its radical, the compound words it can form, its history, and more. There is a practice grid on every page, showing how the character is written, with space for you to practise writing the character for yourself. It is generally agreed that learners of Chinese need a working knowledge of about 100 characters in order to make themselves at all understood and to travel in China, so Easy Learning Chinese Characters is a great place to start.
