The Threepenny Opera (Die Dreigroschenoper) is a "play with music" by Bertolt Brecht, adapted from a translation by Elisabeth Hauptmann of John Gay's 18th-century English ballad opera, The Beggar's Opera, and four ballads by Fran\u00e7ois Villon, with music by Kurt Weill. Although there is debate as to how much, if any, Hauptmann might have contributed to the text, Brecht is usually listed as sole ...

Kurt Weill - The Threepenny Opera: Amazon.co.uk: Music

This sinuous, dark version of Kurt Weill's ironic morality tale (there's really no hope for anyone sucked into dog-eat-dog Soho, a metaphor for Berlin between the wars), fascinates and disturbs. The overall effect is of a chamber piece, played with controlled vigour rather than the rasping attack of some modern interpretations.

Weill: Der Dreigroschenoper (The Threepenny Opera): Amazon ...

The Threepenny Opera proclaims itself "an opera for beggars," and it was in fact an attempt both to satirize traditional opera and operetta and to create a new kind of musical theater based on the theories of two young German artists, composer Kurt Weill and poet-playwright Bert Brecht. The show opens with a mock-Baroque overture, a nod to Threepenny's source, The Beggar's Opera, a ...

Threepenny Opera

Kurt Julian Weill (March 2, 1900  April 3, 1950) was a German composer, active from the 1920s in his native country, and in his later years in the United States. He was a leading composer for the stage who was best known for his fruitful collaborations with Bertolt Brecht. With Brecht, he developed productions such as his best-known work The Threepenny Opera, which included the ballad "Mack ...

This German-language studio cast recording of *The Threepenny Opera*, made in Frankfurt in 1999 with the Ensemble Modern conducted by HK Gruber, reflects the newly published official Kurt Weill Edition prepared by Stephen Hinton and Edward Harsh for the Weill estate. As Hinton makes clear in his liner notes, the work has existed in various versions since its premiere in Berlin in 1928, and this one doesn't so much resolve the conflicts as elucidate them.

"The three penny opera" is perhaps the best known of the operas of Kurt Weill; soloists and conductors show with supreme loftiness and unsurpassed crudeness. A fabulous album in which you will be involved since the first second of this spelling sound, filled of a poetic bitterness and vast silence of ontological loneliness.

This is a book on the best known of the Weill-Brecht collaborations which explores the extent and significance of the composer's contribution. After a detailed reconstruction of the work's genesis and continued revision over three decades, Stephen Hinton examines the spin-offs on which Weill and Brecht participated: the instrumental suite, the film, the lawsuit, the novel, and the musical and textual revisions of songs. In a survey of the stage history, Hinton pays particular attention to pioneering productions in Germany and Great Britain. Kim Kowalke provides an exhaustive account of the history of *The Threepenny Opera* in America, Geoffrey Abbott addresses questions concerning authentic performance practice, and David Drew analyses large-scale motivic relationships in the music. Among the earliest writings on the work reprinted here, those by Theodor W. Adorno, Ernst Bloch and Walter Benjamin appear for the first time in English translation. The book contains numerous illustrations, a discography, and music examples.

Satirizes the bourgeois society of the Weimar Republic through the love story between Polly Peachum and "Mack the Knife" Macheath.

Based on John Gay's eighteenth century *Beggar's Opera*, *The Threepenny Opera*, first staged in 1928 at the Theater am Schiffbauerdamm in Berlin, is a vicious satire on the bourgeois capitalist society of the Weimar Republic, but set in a mock-Victorian Soho. It focuses on the feud between Macheath - an amoral criminal - and his father in law, a racketeer who controls and exploits London's beggars and is intent on having Macheath hanged. Despite the resistance by Macheath's friend the Chief of Police, Macheath is eventually condemned to hang until in a comic reversal the queen pardons him and grants him a title and land. With Kurt Weill's unforgettable music - one of the earliest and most successful attempts to introduce jazz to the theatre - it became a popular hit throughout the western world. Published in Methuen Drama's Modern Classics series in a trusted translation by Ralph Manheim and John Willett, this edition features extensive notes and commentary including an introduction to the play, Brecht's own notes on the play, a full appendix of textual variants, a note by composer Kurt Weill, a transcript of a discussion about the play between Brecht and a theatre director, plus editorial notes on the genesis of the play.

A composer and lyricist of enormous innovation and influence, Marc Blitzstein remains one of the most versatile and fascinating figures in the history of American music, his creative output running the gamut from films scores and Broadway operas to art songs and chamber pieces. A prominent leftist and social maverick, Blitzstein constantly pushed the boundaries of convention in mid-century America in both his work and his life. Award-winning music historian Howard Pollack's new biography covers Blitzstein's life in full, from his childhood in Philadelphia to his violent death in Martinique at age 58. The author describes how this student of contemporary luminaries Nadia Boulanger and Arnold Schoenberg became swept up in the stormy political atmosphere of the 1920s and 1930s and throughout his career walked the fine line between his formal training and his populist principles. Indeed, Blitzstein developed a unique sound that drew on everything contemporary, from the high modernism of Stravinsky and Hindemith to jazz and Broadway show tunes. Pollack captures the astonishing breadth of Blitzstein's work--from provocative operas like *The Cradle Will Rock*, *No for an Answer*, and *Regina*, to the wartime *Airborne Symphony* composed during his years in service, to lesser known ballets, film scores, and stage works. A courageous artist, Blitzstein translated Bertolt Brecht and Kurt Weill's *The Threepenny Opera* during the heyday of McCarthyism and the red scare, and turned it into an off-Broadway sensation, its "Mack the Knife" becoming one of the era's biggest hits. Beautifully written, drawing on new interviews with friends and family of the composer, and making extensive use of new archival and secondary sources, Marc Blitzstein presents the most complete biography of this important American artist.

Examining the life of Kurt Weill, this text explores the phases of the composer's life, from his childhood as the son of a cantor in the Jewish section of Dessau, Germany, to his renunciation of Germany in 1933. It also looks at his emigration to America (1935) and his premature death (1950).

(Limelight). His best-known song is "Mack the Knife," with words by Bertolt Brecht, from The Threepenny Opera , first performed in Weimar Berlin in 1928. Five years later, Kurt Weill fled the Nazis to come to America, where he soon emerged as one of the most admired composers of the Broadway musical stage. His shows included: Knickerbocker Holiday, Lady in the Dark, One Touch of Venus, Street Scene and Lost in the Stars . His songs: "My Ship," "September Song," "Speak Low" and "It Never Was You." This biography concentrates on Weill's career in the United States, but its aim is to explore the truth in the comment made by Weill's wife, the unforgettable Lotte Lenya: "There is no American Weill, there is no German Weill. There is no difference between them. There is only Weill."
