This book contains lexical aids for students of Latin Alive! Book 1, including a Latin-English glossary; chapter vocabulary lists; an English-Latin glossary; noun, adjective, pronoun, and verb paradigms; and study tips.

This new reference work improves on earlier works and, in canonical order, lists all words occurring fewer than 50 times. In addition to providing the word's definition, this indispensable tool includes the number of times a word occurs in a particular author's writings alongside the number of times a word is used in a given book of the New Testament. It will:

Sproul presents in simple, basic terms a commonsense approach to studying Scripture and gives 11 practical guidelines for biblical interpretation. With a minimum of technical jargon, he tackles some of the knotty questions regarding differences of interpreting the Bible.
