In the Third Edition of the bestselling book, *The Truth About Managing People*, bestselling author Stephen Robbins shares even more proven principles for handling virtually every management challenge. Robbins delivers 61 real solutions for the make-or-break problems faced by every manager. Readers will learn how to overcome the true obstacles to teamwork; why too much communication can be as dangerous as too little; how to improve your hiring and employee evaluations; how to heal "layoff survivor sickness"; how to manage a diverse culture; and ways to lead effectively in a digital world. New truths include: how to nurture friendly employees, forget about age stereotypes, first impressions count, be a good citizen, techniques for managing a diverse age group, and ethical leadership among others.

Introduction to management and organizations -- Management history -- Organizational culture and environment -- Managing in a global environment -- Social responsibility and managerial ethics -- Managers as decision makers -- Foundations of planning -- Strategic management -- Organizational structure and design -- Managing human resources -- Managing teams -- Managing change and innovation -- Understanding individual behavior -- Managers and communication -- Motivating employees -- Managers as leaders -- Introduction to controlling -- Managing operations.

This best-selling book takes a traditional approach to Organizational Behavior beginning with The Individual, The Group and then moving into The Organization. It covers the cutting-edge topics such as learning and motivation, emotions, trust and group-dynamics.
