books are divided into a number of short, illustrated sections. Many of the chapters in the Advanced-level books contain theme-related stories and poems. Each section in the Student Book is followed by a comprehensive four-part skills check that is developed to meet the needs to LEP readers and is consistent with the general scope and sequence of ESL/ELT curricula. Student Books Each Literature for English student book follows a similar format. A pre-reading section, Getting Ready to Read, introduces each story. This section is divided into three parts: The Story and You, Learning About Literature, and Looking Ahead. It provides high-interest material to motivate the student to read the story and also offers important information about elements of literature. Each

story is followed by a comprehensive four-part skills check. These activities contain hands-on practice in reading, writing, speaking, and listening. It includes the following exercises:

Check Your Reading provides ten self-scoring multiple-choice questions that review reading comprehension, vocabulary, and idioms. A score chart at the end of the book graphically illustrates student progress.

Understanding the Story contains a variety of exercises that use directed writing activities for mastery of reading comprehension, sentence structure, verbs, parts of speech, writing, and punctuation. Hints are provided to help students improve their grammar. Studying the Story activities provide opportunities for students to work together to improve their listening, speaking, and writing

interest stories by famous writers, covering a variety of genres, such as folktales, science fiction, and autobiography. The language level is controlled so that students with limited English skills can easily understand the stories. Selections in the Beginning- and Intermediate-level books are divided into a number of short, illustrated sections. Many of the chapters in the Advanced-level books contain theme-related stories and poems. Students are introduced to literary elements such as plot, character, setting, conflict, and theme. Students will also learn to use critical thinking skills -- making predictions, drawing conclusions, and making inferences. Although skill development throughout the five books is progressive, teachers can alter the sequence for intermediate-

Intermediate 2 English provides a full colour and comprehensive resource for the syllabus offered by the Scottish Qualifications Authority. A course overview is provided so that students appreciate what commitment will be involved in undertaking the course and sitting the examination. The book also provides teaching materials and exercises for all four of the internally assessed units and both papers of the externally marked exam. As well as the materials on the skills involved in Close Reading, Textual Analysis and Essay Writing, the Literature Study section offers three short stories and three poems with classroom resources. These give a

thorough grounding for the literature essay in the exam. In all sections, the necessary skills or areas of knowledge are introduced gradually, tested with brief activities, demonstrated again, and then reinforced and tested in larger end-of-chapter summaries and assessment activities. Attractively illustrated, and written in a style that is accessible and motivating throughout, Intermediate 2 English is the complete course resource for the widest range of Intermediate 2 students.
