Lying in Wait by Ann Rule Let me start off by saying that I have always loved Ann Rule’s books. They are well written, she takes the time to actually get to know the victims and families, and the facts are always accurate.

Lying in Wait: And Other True Cases (Ann Rule's Crime ...
Ann Rule is a veteran of the genre. I have read many of her books, some have been very good, others not so great, but with her latest offering, Lying in Wait: Ann Rule's Crime Files, Vol 17, I found the stories well written, and for some reason I kind of like Ann Rule more after reading it.

Ann Rule presents a collection of fascinating and disturbing true-crime stories/drawn from her real-life personal files/in this seventeenth volume in the #1 New York Times bestselling Crime Files series. In this gripping collection of investigative accounts from her private archives, ¡America's best true-crime writer! (Kirkus Reviews) exposes the most frightening aspect of the murderous mind: the waiting game. Trusted family members or strangers, these cold-blooded killers select their unsuspecting prey, wait for the perfect moment to strike, then turn normality into homicidal mayhem in a matter of moments. Ann Rule will have you seeing the people and places around you with heightened caution as you read these shattering cases, including: ¡ New mothers murdered, their infants kidnapped, in an atrocious baby-selling scheme ¡ The man who kept his criminal past hidden from his wife/and his wife from his mistress/until he coldly disposed of one of them ¡ The beautiful daughter of a State Department official ran away from the privileged world she knew and hitched a ride with a man she didn't . . . with fatal consequences ¡ For months, a vicious, rage-filled serial rapist eluded police and terrorized Seattle's women/when would he strike next, and how far would his violence escalate? ¡ A criminal known for his Houdini-like escapes is serving time for murder in a botched robbery/now the convict is being served dinner in a civilian's home, where he has one more trick up his sleeve ¡ A long-lost relative who came home to visit, leaving a bloody trail through Washington and Oregon; no one realized how dangerous he and his ladylove were/until it was far too late. . . . With her ability to translate the most complex cases into storytelling ¡as dramatic and chilling as a bedroom window shattering at night! (The New York Times), Rule expertly analyzes the thoughts and deeds of the sociopath, in this seventeenth essential Crime Files volume.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 I have covered thousands of criminal cases, and I have been able to winnow out the deluded and the liars early on. But not always. I had to take a closer look at Dana Rose, who had contacted me about a bizarre murder she had witnessed. #2 The story of the nightmare that struck Athens is reduced to a few paragraphs and engraved upon a historic marker that sits smack in the middle of the lawn of Limestone County's brick courthouse. It begins, Athens Sacked and Plundered, and briefly describes that dark May 2 in 1862 when Colonel John Basil Turchin turned loose his brigade of Union soldiers. #3 Geneva Clemons was a protective mother, and she had longed for a little sister or brother. She was happy when she became pregnant with Tracy, her daughter. #4 One night, Geneva was at the supermarket with her baby son, when a magazine photographer approached her to take his picture for a contest. She was not interested, but the stranger was persistent, and she eventually agreed.

The author presents another collection of fascinating and disturbing true-crime stories drawn from her real-life personal files.

In this unputdownable true crime collection from New York Times bestselling author Ann Rule, discover fascinating cases of the spouse, lover, family member, or helpful stranger whose lethally violent nature, though masterfully disguised, can and will kill. The author of The Stranger Beside Me brings her brilliantly informed understanding of the sociopath to this riveting true crime collection. Featured here is the case of a Southern California family man who lured a beautiful flight attendant into a passionate and dangerous relationship. Other cases include that of the woman who masterminded her husband's murder to gain his inheritance...the monstrous sadist whose prison release damaged a presidential candidate's campaign and ended in a bitter double tragedy in a quiet neighborhood three thousand miles away...the shocking DNA link between a cold-blooded crime and a cold case...and inside the horrific case of the man who crossed an ocean and several countries to stalk the Eurasian beauty who had fled from him in desperation.

Joanne Lindstrom's camping trip to Washington's Cascade mountains goes terribly awry, leaving her husband dead and Joanne's only hope for survival in the hands of a twisted stranger. Reprint.

The gruesome discovery of several dead bodies on the moor sparks a police investigation and a heavy media presence in the remote North Yorkshire Village of Chellingford. When Adrian Brooks shows up at Jessica Scanlon's cottage, however, it is with another line of enquiry in mind. His sister, Laura, has disappeared, and he thinks watercolour artist Jessica might be able to help him find her. Jessica's friend Etta has also gone missing, and when she is called upon to identify of the bodies discovered by the police, she confirms that it is Etta. But Jessica's landlady Mildred seems to have other ideas. A mysterious suicide, an elaborate insurance scam and the arrival of nosy true crime writer Diana Wishart create further layers of intrigue that lead to a thrilling denouement.

Traces the murder of Whidbey Island resident Russ Douglas, who after spending Christmas with his estranged wife and children in 2003 was murdered and whose death implicated several suspects, including an aging beauty queen and her boyfriend.

The author of eight New York Times bestsellers, Ann Rule first won nationwide acclaim with The Stranger Beside Me, about serial killer Ted Bundy. Her Crime Files volumes, based on fascinating case histories, have assured her reputation as our premier chronicler of crime. Now the former Seattle policewoman brings us the horrific account of a charismatic man adored by beautiful and brilliant women who always gave him what he wanted...sex, money, their very lives... When attorney Cheryl Keeton's brutally bludgeoned body was found in her van in the fast lane of an Oregon freeway, her husband, Brad Cunningham, was the likely suspect. But there was no solid evidence linking him to the crime. He married again, for the fifth time, and his stunning new wife, a physician named Sara, adopted his three sons. They all settled down to family life on a luxurious estate. But gradually, their marriage became a nightmare... In this gripping account of Cheryl's murder, Ann Rule takes us from Brad's troubled boyhood to one of the most bizarre trials in legal history, uncovering multiple marriages, financial manipulations, infidelities, and monstrous acts of harassment and revenge along the way. Dead By Sunset is Ann Rule at her riveting best.

MORE THAN 20 MILLION COPIES OFANN RULE'S BOOKS IN PRINT! In this unerving collection drawn from her personal crime files, "America's best true-crime writer" (Kirkus Reviews) Ann Rule brilliantly dissects the convoluted love affairs that all too often end in violence. Expertly analyzing a shocking, headline-making case, Rule unmaskes the deadly motives inside a seemingly idyllic marriage: a beautiful young wife, a rising star in America's top-ranked computer corporation, and a prosperous husband, the scion of a family building business. With an adorable son and a gorgeous home, the couple seemed to have it all. But a furtive evil permeated their days and nights, dragging them into a murky world of drugs, sordid sex, and con operations. In this realm, one of them would prove to be a virtual innocent, the other a manipulator with no conscience. Sudden, violent death brought their charade of a fairy-tale romance to a tragic end -- with a brutal crime that might never have come to light were it not for the stubborn detectives and prosecutors whose fight for justice spanned an entire decade. Empty Promises recounts several other cases where the search for love brought only lies and betrayal -- a cautionary primer, perhaps, for those who trust too much too soon. Powerful because they strike so close to home, the cases in Empty Promises will leave readers shaken by the realities of love gone terribly -- and fatally -- wrong.
