Launching new ventures to provide a unique hands-on approach to developing the skills required to start and build a company in the modern business environment. Discussions focus on the real-life challenges facing startup founders: important issues such as how to drive continuous innovation and how to create a company culture that maximizes success. Numerous illustrative examples and case studies cover every management challenge imaginable, featuring a "Master Case" written by the founder of a successful startup that traces the history of his company from concept to eventual sale.

M: Management by Bateman/Snell
