references.

This clear and concise manual will help librarians understand licenses so that they can become better reviewers, drafters, and negotiators. Libraries purchase or

## Read Book Manual Clio 2

subscribe to countless resources that are governed by licenses—both digital products and physical objects like rare books or equipment. Many librarians, however, lack the legal expertise to comprehend and assess the clauses found in licenses. Authors Corey Halaychik and Blake Reagan have reviewed and edited

## Read Book Manual Clio 2

thousands of contracts and use the lessons they've learned to help librarians sort through the often archaic and confusing language found in licenses. Library Licensing is a key reference for anyone responsible for reviewing, editing, negotiating, and agreeing to licenses that govern library resources. It contains

## Read Book Manual Clio 2

essential information that will allow the reader to not only understand the language used in contracts but also to replace confusing and redundant language with clear and concise alternatives.

Organized with ease of use in mind, chapters are written for quick and easy consultation and application. In-depth

Succeeding in today's corporate and not-for-profit boardrooms is tougher than ever before, with new and established board directors facing myriad new and rapidly globalizing governance challenges.

Directors and aspiring board candidates need a survival guide to beat the odds and

## Read Book Manual Clio 2

avoid crises—the best credentials and the best of intentions aren't enough. This book is that guide.

- Supplies frank advice and straight talk for current board directors and future directors that warn of the various kinds of troubling developments that can arise in and outside the boardroom
- Breaks down the core

## Read Book Manual Clio 2

requirements, expectations, and commitments directors must make to protect shareholders based on the coauthors' deep and varied board and executive leadership experience •

Provides a roadmap for anyone who wants to serve on a board or advisory board—be it for a company, institution, not-for-profit,

## Read Book Manual Clio 2

or government or community organization—or those who currently serve on boards but need guidance and advice • Explains why most boards aren't more diverse and what today's directors can and should do to rectify this issue
