Many Lives, Many Masters: The True Story of a Psychiatrist, His Young Patient, and Past-Life Therapy by Brian L. Weiss Book Summary Abbey Beathan (Disclaimer: This is NOT the original book.) The story about how a skeptical doctor discovered evidence on past lives and developed a method using them to cure his patients. There are many stories about how a skeptic turns into a believer but this one stands out. A skeptical doctor was astonished when he discovered one of his patients recalling past-life traumas. Those wounds from the past seem to be responsible of his recurring nightmares and anxiety attacks.

Doctor Weiss manages to channel his new knowledge and develop a method called "past life regression" which recovers memories of incarnations in order to address them and cure the patient of his traumas. (Note: This summary is wholly written and published by Abbey Beathan. It is not affiliated with the original author in any way) "For truly we are all angels temporarily hiding as humans." - Brian L. Weiss After discovering about past lives, Brian L. Weiss entered a new phase in his career; one that would use memories from the past lives of patients in order to heal them. His method of hypnosis worked so he started heading in a new path in order to help each one of his patients. His work in parapsychology is outstanding and his method of past life regressions is brilliant. Definitely a book worth

includes a new Foreword from Eben Alexander, M.D., author of *Proof of Heaven*, and a new Afterword by the author. Raymond Moody is the “father” of the modern NDE (Near Death Experience) movement, and his pioneering work *Life After Life* transformed the world, revolutionizing the way we think about death and what lies beyond. Originally published in 1975, it is the groundbreaking study of one hundred people who experienced “clinical death” and were revived, and who tell, in their own words, what lies beyond death. A smash bestseller that has sold more than thirteen million copies around the globe, *Life After Life* introduced us to concepts—including the bright light, the tunnel, the presence of loved ones waiting on the other side—that have become cultural memes today, and
