a few months of the Publication. The book has been presented as an introductory level text on the theory and practice of investment. It has been accepted by the students of finance preparing for a paper on investment management, particularly the B.Com (H) Vith Semester (CBCS)/Annual Mode of University of Delhi. The highlight of the Eleventh Edition is the presentation of 'Concept Checks' in the form of 'Test-Yourself ' at various places in different chapters. This will give an opportunity to the students to apply the concepts which they have read so far. Additional working notes and explanations

have been provided at various places throughout the book. Comments and suggestions received from students as well as teachers have been duly incorporated. In an attempt to keep intact the basic structure of the book, the chapter plan has not been changed. Nevertheless, sufficient material has been added in Chapter 6, 'Fundamental and Technical Analysis' with a view to provide more insight into technical analysis. Several numerical illustrations have been added in different Chapters at appropriate places.
