Contributed articles and U Ba Khin's selected discourses on different aspects of Vipaśyanā, a form of Buddhist meditation; includes brief biography of U. Ba Khin, 1889-1971.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Peanut Butter is a sad little fish. His best friend, Honey, just moved away. The two friends were perfect together, just like a peanut butter and honey sandwich. Now Honey is gone, and Peanut Butter needs a new friend-but how will he find one? Peanut Butter sets out on a thrilling adventure deep in the ocean to find a new best friend. He starts his journey by seeking out only the most beautiful fish in the sea and rejecting all others. Along the way, he encounters colorful characters like sharks, an angelfish, a moon snail, and many more. Peanut Butter soon realizes that if he wants real friendship, he'll have to look deeper and discover the beauty within other fish. If he can do that, perhaps he'll finally find the perfect friend. Join Peanut Butter on his big adventure, and share in the discovery of a vibrant undersea community. More importantly, swim along with him as he learns about the importance of true friendship.
