On June 26, 2013, the Minnesota Department of Revenue posted several legislative bulletins describing tax law changes enacted during this year's...

"This twenty-seventh edition of A Guide to Starting a Business in Minnesota, like its predecessors, is intended to provide a concise, summary discussion of the major issues faced by those starting a business in Minnesota. This edition of the Guide contains three major sections: the narrative text; a Resource Directory, which provides addresses and telephone numbers of organizations referenced in the text; and the Directory of Licensed and Permits, which lists all business licenses and permits required by the State of Minnesota, the state agency which issues or administers the license or permit, and a telephone number for obtaining more information. Topics presented in the narrative text are presented in the order in which the new business owner typically must address them."--Preface

The State Tax Handbook (2022) is the perfect quick-answer tool for tax practitioners and business professionals who work with multiple state tax jurisdictions. Save time by utilizing a single source of key state tax information instead of having to consult multiple sources. The Handbook is set out in four parts, which together deliver an overall picture of the states' levies, bases and rates of each tax, principal payment and return dates, and other important information on major state taxes.

CCH's State Tax Handbook is the perfect quick-answer tool for tax practitioners and business professionals who work with multiple state tax jurisdictions. This handy and affordable reference provides readers with an overview of the taxation

scheme of each state and the District of Columbia, as well as multistate charts on income taxes (personal and corporate), sales and use taxes and tax administration. It is a time saving resource for tax professionals by providing a single source of key state tax information instead of having to consult multiple sources. This book brings together important tax information for each state tax system and adds value to the practice of multistate tax advisors and those advising multistate businesses.

Complete Guide to Federal and State Garnishment provides much-needed clarity when the federal and state laws appear to conflict. You'll find plain-English explanations of the laws and how they interact, as well as the specific steps you and your staff need to take to respond to the order properly. Numerous detailed examples and mathematical calculations make it easy to apply the law under different scenarios. Written by Amorette Nelson Bryant, who was recently named the chair of both the APA GATF Child Support Subcommittee and Garnishment Subcommittee, Complete Guide to Federal and State Garnishment brings the payroll professional up-to-date on the latest federal and state laws and regulations affecting this ever-changing area. It is your one-stop source for answers to critical questions, such as: Does the amount exempt from garnishment change when the minimum wage goes up? How do I determine the wages to which the garnishment applies? If an employee is subject to more than one garnishment, which has priority? Which state's rules do I use when I receive a child support order sent from another state? State or federal law - which applies for creditor garnishment and support? Are there alternatives to remitting withheld child support via EFT/EDI? How do I handle garnishments when employees are paid a draw against salary? The 2013 Edition of Complete Guide to Federal and State Garnishment brings you up to date on the latest federal and state laws and regulations affecting this ever-changing area. Highlights include: A new child support matrix that shows at a glance the states that: require electronic payments; participate in electronic income withholding orders; require lump-sum reporting; accept standardized verification of employment information; and participate in the debt inquiry service. Explanation of the new requirement mandating when you reject a child support order and return it to the sender after May 31, 2012. Which states now require new-hire reporting of independent contractors. Additional data required by Illinois for new-hire reporting. Statutory citations added to explanations of state child support provisions. Updated exemption amounts for creditor garnishment in several states. Why you may need to garnish all of an employee's wages for a tax levy. Revised and updated priority information for multiple wage garnishments, including priority of the extension of a garnishment and a garnishment from a second creditor. An easier means to report lump-sum payments that might be subject to withholding for child support. New exemption figures for 2012 tax levies. And much more!

This guide to Minnesota employment law is written for human resources professionals, employers, and general practice attorneys. It covers the entire employment relationship from hiring through termination or retirement and includes both Minnesota and federal law. Coverage includes: hiring, hours of work and payment of wages, health and safety standards, civil rights, union organizing, collective bargaining and strikes, employer liability for employees' acts, and much more.
