DescriptionLife is unpredictable and magical. It is also not for the faint of heart. The Ruler Of Nothing... Important is an autobiography on the life thus far of a fairly ordinary boy. One who has been raised by loving parents in a safe and wealthy nation. But parents cannot guarantee that their child will become a success, no matter how grand their love for them is. This book explores the mind, heart and motives of that child. It delves into what influences him. The life experiences analysed here are of both a positive and negative nature, which is exactly how the rollercoaster ride of life should be. About the AuthorGreg Rowleron is twenty-nine years old and his number one passion is writing. This is his second book.

A multidisciplinary index covering the journal literature of the arts and humanities. It fully covers 1,144 of the world's leading arts and humanities journals, and it indexes individually selected, relevant items from over 6,800 major science and social science journals.

The Encyclopaedia of Islam (Second Edition) sets out the current state of our knowledge of the Islamic World. It is a unique and invaluable reference tool, an essential key to understanding the world of Islam, and the authoritative source not only for the religion, but also for the believers and the countries in which they live.
