Motley Crue The Dirt
Based on Motley Crue's 2001 best-selling autobiography, THE DIRT is an unflinching story about sex, drugs, rock 'n roll, fame, and the high price of excess. Director Jeff Tremaine shows us just how Nikki Sixx (Douglas Booth), Mick Mars (Iwan Rheon), Tommy Lee (Colson Baker), and Vince Neil (Daniel Webber) took Mötley Crüe from the Sunset Strip to the world stage, and what it meant to become the world's most notorious rock band.

There, in 1981, he became the bassist for Motley Crue, the legendary rock band he started with Vince Neil, Mick Mars, and Tommy Lee. Today he is the New York Times bestselling author of The Heroin Diaries and This Is Gonna Hurt, and a coauthor of the Mötley Crüe book, The Dirt.

The Dirt: Confessions of the World's Most Notorious Rock ...
The Dirt is a 2019 American biographical comedy-drama film directed by Jeff Tremaine from a screenplay by Rich Wilkes and Amanda Adelson, about heavy metal/glam metal band Mötley Crüe. The film stars Douglas Booth, Colson Baker, Daniel Webber, and Iwan Rheon. Talks of a Mötley Crüe biopic began as early as 2006, when Paramount Pictures and MTV Films purchased the rights to the book The Dirt: Confessions of the World's Most Notorious Rock Band by the band and Neil Strauss. However the ...

Pre order The Dirt Audiobook now - the outrageous, legendary, no-holds-barred New York Times best selling autobiography of Mötley Crüe. Celebrate over 35 years of Mötley Crüe with this multi voice edition performed by Sebastian York, Roger Wayne, Fred Berman, MacLeod Andrews, and Hillary Huber.

NOW A NETFLIX ORIGINAL MOVIE STARRING MACHINE GUN KELLY, DANIEL WEBBER, DOUGLAS BOOTH, AND IWAN RHEON, DIRECTED BY JEFF TREMAINE. Celebrate thirty years of the world's most notorious rock band with the deluxe collectors' edition of The Dirt—the outrageous, legendary, no-holds-barred autobiography of Mötley Crüe. Fans have gotten glimpses into the band's crazy world of backstage scandals, celebrity love affairs, rollercoaster drug addictions, and immortal music in Mötley Crue books like Tommyland and The Heroin Diaries, but now the full spectrum of sin and success by Tommy Lee, Nikki Sixx, Vince Neil, and Mick Mars is an open book in The Dirt. Even fans already familiar with earlier editions of the bestselling exposé will treasure this gorgeous deluxe edition. Joe Levy at Rolling Stone calls The Dirt “without a doubt . . . the most detailed account of the awesome pleasures and perils of rock & roll stardom I have ever read. It is completely compelling and utterly revolting.”

You thought you knew the story behind the world's most notorious rock band...the music, the mayhem...it is the stuff of rock n roll legend, chronicled in the New York Times bestselling book and subsequent Netflix movie, The Dirt. Now, as Nikki Sixx, Tommy Lee, Vince Neil and Mick Mars emerge from self-imposed exile from all corners of the globe, the REAL story behind the band can finally be told...as the exploits of Mötley Crüe working as special undercover government operatives are revealed in this graphic novel.

Ten years ago, Motley Crue's bestselling The Dirt—penned with rock chronicler extraordinaire Neil Strauss—set a new bar for rock 'n' roll memoirs. A genuine cultural phenomenon, this turbocharged blockbuster, with more than half a million copies in print, is now available in this deluxe, slipcased hardcover edition, timed to celebrate thirty wild years with rock's most infamous band.

Set against the frenzied world of heavy metal superstardom, the co-founder of legendary Motley Crue offers an unflinching and gripping look at his own descent into drug addiction. When Motley Crue were at the height of their fame, there wasn't a drug Nikki Sixx wouldn't do. He spent days - sometimes alone, sometimes with others addicts, friends and lovers - in a coke- and heroin-fuelled daze. THE HEROIN DIARIES reveals Nikki's personal diary entries alongside commentary from the people who know Nikki best including band mates Tommy, Vince and Mick. The book is a candid look at a nightmare come true: a punishing heroin addiction that brought Nikki to the edge of losing his talent, his career, his family and finally to a near-fatal overdose which left him clinically dead for a few minutes before being revived. Brutally honest, utterly riveting and shockingly moving, THE HEROIN DIARIES follows Nikki during the year he plunged to rock bottom and his courageous decision to pick himself up and start living again.

Rock-and-roll icon and three-time bestselling author Nikki Sixx tells his origin story: how Frank Feranna became Nikki Sixx, chronicing his fascinating journey from irrepressible Idaho farmboy to the man who formed the revolutionary rock group Mötley Crue. Nikki Sixx is one of the most respected, recognizable, and entrepreneurial icons in the music industry. As the founder of Mötley Crüe, who is now in his twenty-first year of sobriety, Sixx is incredibly passionate about his craft and wonderfully open about his life in rock and roll, and as a person of the world. Born Franklin Carlton Feranna on December 11, 1958, young Frankie was abandoned by his father and partly raised by his mother, a woman who was ahead of her time but deeply troubled. Frankie ended up living with his grandparents, bouncing from farm to farm and state to state. He was an all-American kid—hunting, fishing, chasing girls, and playing football—but underneath it all, there was a burning desire for more, and that more was music. He eventually took a Greyhound bound for Hollywood. In Los Angeles, Frank lived with his aunt and his uncle—the president of Capitol Records—for a short time. But there was no easy path to the top. He was soon on his own. There were dead-end jobs: dipping circuit boards, clerking at liquor and record stores, selling used light bulbs, and hustling to survive. But at night, Frank honed his craft, joining Sister, a band formed by fellow hard-rock veteran Blackie Lawless, and formed a group of his own: London, the precursor of Mötley Crue. Turning down an offer to join Randy Rhoads's band, Frank changed his name to Nikki London, Nikki Nine, and, finally, Nikki Sixx. Like Huck Finn with a stolen guitar, he had a vision: a group that combined punk, glam, and hard rock into the biggest, most theatrical and irresistible package the world had ever seen. With hard work, passion, and some luck, the vision manifested in reality—and this is a profound true story finding identity, of how Frank Feranna became Nikki Sixx. It's also a road map to the ways you can overcome anything, and achieve all of your goals, if only you put your mind to it.

Mötley Crüe's gleeful glam debauchery and unstoppable anthems have made them metal gods, selling over 72 million album copies worldwide and landing their band biography The Dirt on bestseller lists around the country. Mötley Crue is—amazingly—the first photographic history of the band. Legendary rock photographer Neil Zlozower's images capture the band's rise from their breakthrough album Shout at the Devil through rock 'n' roll excesses to follow with the unprecedented all-access candor of a friend to the band. In hundreds of photographs and stories from the band and those close to them, Mötley Crue reveals them onstage, backstage, on tour, hanging out, and in studio—a must-have album of photos and testimony on one of the most powerful and controversial bands in rock history.

Mötley Crüe's lead singer and rock's ultimate bad boy, Vince Neil, lets the real dirt fly in this raw, raunchy, and completely uncensored road trip through the unbelievable depths of rock 'n' roll debauchery. You've seen The Dirt on Netflix, now read the nitty gritty stories in Vince's own words. For 30 years, Vince Neil has been one of rock's most notorious frontmen. From sex tapes with porn stars and multiple arrests for drunk and disorderly behavior to his turns as a strip club and tattoo parlor owner, his antics make Mick Jagger look like a choirboy. Now, he tells the whole story, in his own words, as it has never been told before. The glory days of excess. Vince's break with the band and his arduous re-uniting with its members, especially Tommy Lee. The tragic death of his daughter Skylar. And, for the first time, Vince painfully opens up about his actions (and lack of real consequences) surrounding his part in the drunk-driving death of his friend Razzle. Then there are the stories and anecdotes that even hardcore Crue fans don't know. We also hear the voices of his friends, rock star cronies, ex-wives, family, and children in an effort to get to the heart of the matter. Tattoos and Tequila reveals the real Vince Neil, from his many vices—booze, sex, and many, many women, to his personal and private tragedies and triumphs as a musician and businessman. Sexy, shocking, and revelatory, this is the first personal account of one of rock's most troubled, outrageous, and flamboyant stars.

(Book). Kickstart My Heart: A Motley Crue Day-by-Day is an exciting chronology that celebrates in innovative form through the use of day-by-day entries and supporting band quotes mostly collected firsthand by the author, as well as memorabilia shots and photography the crazy lives lived by Vince, Mick, Nikki, and Tommy at the booze-drenched apex of the rock-'n'-roll food chain. Augmented with entries that help place the band in a wider rock context, Popoff presents a swift-moving, action-packed symphony of text and visuals that reprises his collaboration with Backbeat on similarly structured titles about Iron Maiden and Ozzy Osbourne. With very few Motley Crue-related books on the market, Kickstart My Heart will likely serve for years to come as the most complete and completely party-hardy celebration of this band now 35 years on and in the midst of completing its final tour ever.

When Hollywood comes to a small Georgia town, the cautious locals don't know what to expect. Feathers ruffle, secrets bloom, and sparks fly in this funny and sexy New York Times Bestseller. *Special edition for the motion picture release of HOLLYWOOD DIRT: The Movie and includes photos from filming, along with an extended ending.

This Is Gonna Hurt is music, photography, and life through the distorted lens of Nikki Sixx, bassist for heavy metal rock band Mötley Crüe's and the New York Times bestselling author of The Heroin Diaries. A combination of powerful prose and dramatic photographs, This Is Gonna Hurt is an arresting, deeply personal look through the eyes of a real rock star at a stark, post-addiction world. This Is Gonna Hurt chronicles Sixx's experiences—from his early years filled with toxic waste, to his success with Motley Crue, to his near death from an OD and his eventual rebirth through music, photography, and love. Love story, social commentary, family memoir, This Is Gonna Hurt offers the compelling insights of an artist and a man struggling to survive, connect, and find a happy ending—a search that fuels Sixx's being.
