Throw away your real estate course test books and class notes, this is all you need to pass!

Read Book Neco Gce Chemistry Answers

Street life in the slums of Accra is realistically portrayed in this socially-committed, subtle novel about four educated women who are inspired by the plight of a 14-year old girl, Fofo. As the main characters convert their library center into a practical street initiative, the novel invokes the squalor, health risks, and vicious cycles of poverty and violence that drive children to the streets and women to prostitution; and, from which, ultimately, no one in the society is free.

Fifteen years ago, Mama said, starting her story, I came to Lagos from Ghana. I came to Nigeria because I was considered an alien in that country. The government of Ghana passed a law asking all aliens without resident permits to regularise their stay in the country'. This story of migration, identities and lives undermined by cynical and xenophobic politics pushed to its logical and terrible conclusion pertains to the Ghanaian orders of 'alien compliance' issued in 1970-1971, which determined to force all non-ethnic Ghanaians, so called illegal immigrants, to return to their - so stipulated - 'home'. The novel thus touches on concerns of deeper relevance to the

politics of race and migration of the twenty first century.

One of Shaw's most popular comedies, deflating romantic misconceptions of love and warfare. Reprinted from an authoritative early edition, complete with Shaw's preface to Volume II of Plays: Pleasant and Unpleasant.

This is an African retelling of Euripides: an unnervingly topical story of a people and a beloved city destroyed by the brutality of war. The play was first performed in Lagos in 2003 under the distinguished director Chuck Mike, and subsequently toured the UK.

In this book, the research study on student failure in national examination (causes and adopted solution in Nigeria-West Africa) is propounded. This technique is applied to solve and address; the causes of massive failure recorded in GCE, WASSCE, NECO, NABTEB, JAMB and other examination body in Nigeria from 2005 to 2011. The statistical data's analyzed are samples Collected from different examination rating at different location on the factors that contribute to student's poor performance in National examination in Nigeria. Also
