This text uses calculus, algebra, and graphs to present microeconomic theory using actual examples, and then encourages students to apply the theory to analyse real-world problems. This 2nd edition has been substantially updated and revised, and is now offered with MyEconLab.

A book that provides a treatment of microeconomic theory that stresses the relevance and application to managerial and public policy decision making.

Develop ten essential management skills. With an emphasis on self assessments, Developing Management Skills gets readers involved in the learning experience, helping them connect the theories to their own lives. Further, this text focuses on developing the ten essential skills needed for success and gives readers tangible goals to work towards. Based on suggestions from reviewers, instructors, and students, a number of changes-including new skill-assessments and cases, and updated research-have been incorporated in the eighth edition. 013380657X / 9780133806571 Developing Management Skills Plus 2014 MyManagementLab with Pearson eText -- Access Card Package Package consists of: 0133594041 / 9780133594041 2014 MyManagementLab with Pearson eText -- Access Card -- for Developing Management Skills 0136121004 / 9780136121008 Developing Management Skills

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- For the two-semester principle of economics course. This book is also suitable for all readers interested in economics. Thoroughly updated, stripped of technical detail where possible, extensively illustrated with well-chosen photographs, enlivened with new applications features that focus on issues at play in today's world, responsive to the suggestions of reviewers and users, and seamlessly integrated with MyEconLab: These are the hallmarks of this eleventh edition of Economics. Parkin brings critical issues to the forefront. Each chapter begins with one of today's key issues, and additional issues appear throughout the chapter to show the real-world applications of the theory being discussed. When the chapter concludes, readers "read between the lines" to think critically about a news article relating to the issue, demonstrating how thinking like an economist can bring a clearer perspective to and deeper understanding of today's events. Readers will begin to think about issues the way real economists do and learn how to explore difficult policy problems and make more informed decisions in their own economic lives. Parkin is so committed to currency that he uploads news articles almost daily to MyEconLab®, the online assessment and tutorial system that accompanies the text. Assessment questions based on the Economics in the News articles are uploaded periodically so that instructors can assign recent articles within MyEconLab. Note: If you are purchasing the standalone text or electronic version, MyEconLab does not come automatically packaged with the text. To purchase MyEconLab, please visit: www.myeconlab.com or you can purchase a package of the physical text + MyEconLab by searching the Pearson web site. MyEconLab is not a self-paced technology and should only be purchased when required by an instructor.
