Together.

The third book in New York Times bestselling author, Donna Grant ' s exciting Shield series! Dear Friend, Most would give all they had to be raised in the Realm of the Fae. I had no choice. I was too young to remember anything of my own realm, save for snatches of memories that could be no more than my imagination. But if the Fae hadn ' t found me wandering between realms after mine was destroyed, I would be dead. It was the Fae who raised me and trained me in weaponry and battle until I became a warrior to be feared. When the same evil that destroyed my realm threatened Earth and the Fae, I was the first to volunteer for the Shields. With my immortality the only link I have to my past, I take what comfort I can in the arms of women. I want nothing more than one night with them, one night to forget that I cannot

remember my family, one night to take what pleasure I can. It isn't until Shannon that I begin to think of more than one night in her arms. Shannon has been transported back in time from Chicago to 1244 England because the evil knows what she is—one of the Chosen. It plans to kill Shannon, but I won't allow that. My duty is to protect her at all costs. I've never known fear or love until now—until Shannon. Cole the Warrior

New York Times bestselling author Donna Grant brings you the first of a thrilling time-travel adventure. Earth is about to be annihilated by creatures spoken of only in myths and legends. world. Dear Reader – Have you ever wanted to travel through time with weapons crafted by the Fae themselves? To experience adventure so thrilling and dangerous you don't know if you will live to see tomorrow? Now my men and I are faced with fighting creatures only thought to live in legend but which have been brought to Earth by evil bent on annihilating all the realms. That is my life – and I love it. At least I did until I found myself staring into the angelic, innocent face of Lady Mina of Stone Crest. In all the time I have led the Shields I have trusted my instinct to keep us alive, yet now I don't know what to believe. Everything points to Mina as the evil summoning the creatures, but she proclaims her innocence. I should be able to see through her lies, if she is indeed lying, but my attraction to her blinds me to even that. The last time I found myself so lured to a woman, it nearly cost me the lives of my

men. I cannot allow that to happen again. I won't allow that to happen again. Yet every time she looks at me, begging me with those blue-green eyes to believe her, I find myself sinking further under her spell. Her mouth is a temptation mortal men will never know and her love will either bring me the peace I thought I'd never find – or the death I've managed, thus far, to avoid.

they know that I ' m working as a double agent. My alliance now lies with the Reapers and Death, and it is my mission and duty to destroy the malignant organization before their rot spreads. Unfortunately, a surprise splits my focus—a more than welcome one. I never thought to reunite with my lost true love. And now that I have, I must find a way to shelter her from the evil Six and convince my new friends that she ' s not a threat. Admittedly, there is some doubt. How can there not be? But I trust her. And I haven ' t seen her, held her, kissed her for centuries. I loved her then, will love her always, and will do whatever it takes to keep her by my side for as long as we have. Her cunning and courage hold me captive, and our passion knows no bounds. If only the timing were better—and the world safer.

When Erith directs me to infiltrate the enemy and topple them from within, I immediately accept the challenge. I figure it ' ll be easy until a stunning warrior goddess crosses my path and diverts my attention. The problem? She ' s in league with those I was sent to take down.

However, I soon discover there is more to her than meets the eye and quickly find my mission divided: disband this new group of Fae Others and save the gorgeous Light from her family—and herself. All it takes is one look, one conversation to know that she ' s mine, and I will chance Death ' s displeasure to make it so. But the risks are great. Because when you fall in love with the enemy, more than your heart is on the line.

Until my mission leads me to a Halfling who stirs things within me that I ' ve never felt before. Sorcha ' s past intrigues me, but not as much as the gorgeous and stubborn Halfling herself. Though the Others are no more, our enemies still lurk around every corner. I can feel it. But for her, I will battle whatever comes my way—be it present dangers or ghosts of the past.
