Nobody Told Me : Hollie McNish : 9780349726571

I wish someone had "told me" 25 years ago. I don't get most poetry - it bores me and goes over my head. But Hollie is different - she is real - she questions establishments and makes sense of things. This book is interspersed with her poems - but she writes her real life experiences in between.

'This book should be required reading for anyone thinking of having a baby, or even anyone who knows someone who is thinking of having a baby' Scotland on Sunday 'Fascinating and honest' Mumsnet 'Like talking to a friend' Observer Winner of the Ted Hughes Award for New

Where To Download Nobody Told Me Poetry And Parenthood

Work in Poetry There were many things that Hollie McNish didn't know before she was pregnant. How her family and friends would react; that Mr Whippy would be off the menu; how quickly ice can melt on a stomach. These were on top of the many other things she didn't know about babies: how to stand while holding one; how to do a poetry gig with your baby as a member of the audience; how drum'n'bass can make a great lullaby. And that's before you even start on toddlers. But Hollie learned. And she's still learning, slowly. Nobody Told Me is a collection of poems and stories; Hollie's thoughts on raising a child in modern Britain, of trying to become a parent in modern Britain, of sex, commercialism, feeding, gender and of finding secret places to scream once in a while.

'She writes with honesty, conviction, humour and love. She points out the absurdities we've grown too used to and lets us see the world with fresh eyes.' Kate Tempest Hollie McNish, winner of the Ted Hughes Award for Poetry, has thrilled and entranced audiences the length and breadth of the UK with her compelling and powerful performances. Plum, her debut for Picador Poetry, is a wise, sometimes rude and piercingly candid account of her memories from childhood to attempted adulthood. This is a book about growing up, about flesh, fruit, friendships, work and play - and the urgent need to find a voice for the poems that will somehow do the whole glorious riot of it justice. Throughout Plum, McNish allows her recent poems to be interrupted by earlier writing from her younger selves - voices that speak out from the past with disarming and often very funny results. Plum is a celebration, a salute to a life in which we are always growing, stumbling, falling, changing and discovering new selves to add to our own messy store. It will leave the reader in no doubt as to why McNish is considered one of the most important poets of the new generation.

This book covers many critical issues confronting the first few weeks of parenting. Nobody receives a comprehensive education on how to be a new parent. The authors are experienced professionals from a variety of disciplines dedicated to helping families of newborns. Each chapter is written to stand alone, with the book covering an array of topics. The book is designed to be read a chapter at a time as you need to know, now! Every reader will gain confidence, coping skills, and an increased sense of calm through those first six weeks. As a brand-new parent, if you have experienced the phrase, "Nobody Told Me About That", we have answers!

Nobody Told Me is the long awaited autobiography by Jim McCarty, a founding and current member of Rock and Roll Hall of Fame inductees The Yardbirds, a founder member of Renaissance, Together and Box of Frogs, and an internationally respected songwriter. Open, honest, modest and affecting, Jim looks back on his long and remarkable career with both a keen eye for detail and his trademark sense of humour. From the birth of the British R&B boom to the latest incarnation of his much beloved band, Jim tells of his life on and off stage, alongside some of the most legendary musicians in rock history - including Eric Clapton, Jeff Beck and Jimmy Page (who also contributed the book's introduction). From the Yardbirds, the story unfolds across Together, Renaissance and Illusion, collaborations with the Pretty Things and the British Invasion All Stars, Box of Frogs, Stairway and more.
