W. W. Norton & Company is
proud to present the Sixth
Edition of The Norton
Sampler. As a rhetorically
arranged collection of short
essays for composition, our

samplers. This new edition shows students that description, narration, and the other patterns of exposition are not just abstract concepts used in composition classrooms but are in fact the way we think--and write. The Norton Sampler contains 63 carefully chosen readings--classics as well as more recent pieces, essays along with a few real-world texts--all demonstrating how writers use the modes of discourse for many varied purposes.
