Judul novel ini After Rain, saya mengira (bahkan setelah membaca interviu dengan Mbak Anggun) akan banyak menemukan adegan hujan atau kenangan terkait hujan. Nyatanya, memang banyak adegan hujan, hujan air mata. Jadi, mungkin After Rain ini artinya setelah nangis, terus melanjutkan hidup.

After Rain by Anggun Prameswari — Goodreads

First published in 1996, *After Rain* comprises twelve beautifully-crafted stories, not a dud amongst them. Like much of Trevor ' s work, they centre on ordinary people — perhaps more specifically, the day-to-day developments that shape their lives in the most poignant of ways.

Rain is one of the best story I read among isekai and fantasy genre. The story is something like "protecting the princess", it is an old kind of plot that is the most common story even in children's book. But the strength of *Rain* didn't lies on it's plot, but on how it is executed and written and in it's characters.

After The Rain has the makings of what could be an awesome story. In fact, I was actually enjoying myself for the first 10% and that is saying something considering how quickly it turned into a tragedy. But pretty much after the "event" with Avelina's husband the story just got progressively worse.

~~After the Rain: A Novel: Carlino, Renée e: 9781476763996---~~

After last year's remarkable novel, Felicia's Journey, he returns here to more mundane lives. These 12 tales stay well within the bounds of conventional storytelling: there are no fractured narratives or disjointed memories delivered solely for effect.

"H2O" is an apocalyptic thriller centering around the premise of deadly rain, and I found it quite enjoyable. For maximum scare factor, be sure to read it during a rainstorm, as I accidentally did. Ruby, the main character, is pretty much a mean girl everyone knew in high school. Of course, she doesn't actually realize that she is mean.

Suzanne Paris may have found the perfect town to settle down in, but a dark threat from her past is preventing her from firmly putting down her roots. Reprint. 100,000 first printing.

From the USA TODAY bestselling author of Sweet Thing and Nowhere But Here comes a deeply emotional contemporary romance about the second chances waiting beyond the shattered dreams of youth. When eighteen-year-old Avelina Belo meets a charismatic cowboy the summer before her senior year of high school, she doesn't know that accepting his invitation to dinner will lead to a whirlwind marriage three months later and an exciting new life on a Montana ranch. She also doesn't know that, in a few short years, fate will send everything crashing down around her. A thousand miles away and fresh out of medical school, Nate Meyers is poised to become UCLA's next superstar heart surgeon. His laser focus is the key to his success, but it's also his greatest liability. When a routine surgery ends in disaster, derailing his career, he's confronted with the hard truth: there's no one waiting for him at home, no one to help him pick up the pieces. Regrouping on his uncle's Montana ranch, Nate meets Avelina, a beautiful but mysterious young woman who keeps to herself and barely speaks a word. As he discovers the details of her devastating past, Avelina teaches him more about matters of the heart than he ever knew before. But can they trust each other enough to put everything on the line?

Nnedi Okorafor's story of Chioma, a young Nigerian-American woman whose destiny is revealed during a furious rainstorm—now in paperback, with bonus content including Q&As with the creative team and never-before-seen art and designs! After the Rain is an adaptation of Nnedi Okorafor's short story, "On the Road." The adaptation, written by John Jennings and illustrated by David Brame, begins in Nigeria during a powerful and unexpected storm. While visiting her grandmother, a young Nigerian-American woman named Chioma answers a knock at the door and is horrified by what she sees—a young boy with a severe head wound is standing on the doorstep. When he touches Chioma, his hand burns like fire and just as suddenly as he arrived, he disappears. Her grandmother comes down to see what is wrong and chastises Chioma for opening the door for a stranger. Outside there are only footprints in the mud which vanish in the same manner as their owner. This event sets off a chain of mysterious occurrences that become more and more terrifying. Chioma knows that something is wrong, and that the boy has "marked" her in some way. . . . Haunted and hunted, Chioma must embrace her heritage in order to survive.

Here is a new collection of twelve absorbing, deeply compassionate tales that reveal the subtle revenges of love and indifference, the deep wells of affection, and the strange, breathtaking tricks of chance that make up the texture of our lives. In the rain-washed Italian hills, a forgotten artist's Annunciation brings light to a heartbroken woman; insidiously, in her struggle for love, the second wife of a blind piano tuner distorts his memories of the first; two children, survivors of divorce, mimic their parents' dramas and passions; a mother, tied through love and fear to her son, watches with helpless dread as she realizes the monster he has become.

A poignant story of two estranged sisters from the New York Times bestselling author of the Tradd Street novels. At twenty Cassie Madison left her hometown of Walton, Georgia, for New York City, where she has reinvented herself—from losing herself in her career to squashing her accent. But one night a single phone call brings back everything she's tried to forget. She hasn't spoken to her sister since Harriet stole Cassie's fiancé and married him. But now Harriet's on the line with news that their father is dying. As she makes the trip back, the only thing that frightens Cassie more than losing her father is seeing Harriet and the family that should have been hers. But she can't help loving her nephews and nieces any more than she can help feeling at home again in Walton. As she fights a surprising reaction to a forgotten friend, and faces an unexpected threat to the family she'd once left behind, Cassie comes to realize that moving on doesn't always mean moving away from who you are.

After Rain Falls is BOOK TWO OF TWO in the River of Rain Duet. In order to understand the contents of this book, you must read Follow the River first. This is the conclusion of River and Rain's story. Love has never been important to me. Not because I didn't want it, I just never imagined feeling something so powerful. There was a point where I thought I felt it years ago for the person I trusted most in the world, only to have it shatter in a thousand pieces. But now he's back in my life and I'm certain I was wrong. Because nothing compares to the way I feel about River Lennox. Nothing could have prepared me for the war we waged against one another to turn into a battle to not only find ourselves, but each other. Our prison sentence became our sanctuary from anything-or anyone-who dared to rip us apart. He crawled under my skin, into my heart, and made a home for himself there despite my efforts to stop him. But it doesn't matter now. Not when I find myself being thrown into a chess game I never asked to play with decisions forced on me that no one should have to make. It's not just life and death. It's love and hate. The past and the future. Except...when my past comes knocking with a thirst for vengeance, I start to question if I have a future at all.

After The Rain by Madeline Harper released on Mar 25, 1986 is available now for purchase.

In *After the Rain*, celebrated self-care storyteller Alexandra Elle delivers 15 lessons on how to overcome obstacles, build confidence, and cultivate abundance. Part memoir and part guide, Elle shares stirring stories from her own remarkable journey from self-doubt to self-love. This soulful collection is filled with illuminating reflections on loss, fear, bravery, healing, love, acceptance, and more.

- Readers follow along her journey as she transforms challenging experiences—a difficult childhood, painful romantic relationships, and single parenting as a young mom—into fuel for her career as a successful entrepreneur and author driven by purpose and passion
- Filled with Elle's signature candor and warmth
- Includes empowering affirmations and meditations for readers to practice in their own lives

After the Rain is a soulful guide to help you embrace all the beauty, love, and opportunity life has to offer.

- Presented in luminous package with a foil case and gold accents
- A beautiful gift for anyone on the path to self-discovery, and an uplifting reminder that there is always sunshine after the rain
- Perfect for the friend who loves meditating, self-care, journaling, or seeking personal transformation and empowerment
- Great for those who loved *Present Over Perfect* by Shauna Niequist, *100 Days to Brave* by Annie F. Downs, and anything written by Brené Brown, Rupi Kaur, Rachel Hollis, and Elizabeth Gilbert

"A story intricately crafted with amazing characters and scenes that will leave a lasting image on readers. Raina is the perfect heroine, sweet and caring, but strong at the same time. The risks she is willing to take to save and protect others left me in awe. A great series with romance and suspense." Christine Janes - SheReadsALot.com

Finally able to put her harrowing past to rest, Raina looks forward to her future with Kas, but the Ghost has other plans. As the FBI team gets closer to taking down the largest human trafficking ring in the modern world, the Ghost begins a wicked game, making Raina the pawn and the target. Never before encountering a worthy adversary, he's fascinated by Raina and is enjoying the refreshing challenge of her intellect. The danger ignites to a blazing new level, and Kas struggles between the need to finally exorcise the Ghost and his need to protect his wife. Tension mounts as an internal battle wages, tormenting Kas as he watches Raina put her all into taking down the man responsible for horrific sex slavery and gruesome deaths. When a new player takes control, Jefferson orders the end of the Ghost's game with Raina, which results in one final, devastating act, leaving Kas desperate and willing to do whatever it takes to save her...by whatever means necessary.
