In this page-turning psychological thriller from an author who Stephen King called “ an absolute master, ” a young female police officer faces danger on all fronts—from a clever victim of abuse, her colleagues on the force, and even her own mobster father. Philomena McCarthy is a young, ambitious police officer with the elite Metropolitan Police in London. When she responds to a domestic violence call, she finds the victim, Tempe Brown, trying to protect her abuser, a married man named Darren Goodall, a decorated Scotland Yard detective afraid of no one. As Philomena pursues the case against him, she not only encounters resistance from her police force colleagues but also becomes dangerously entangled with the victim—who is not at all whom she appears to be—much to the increasing endangerment of herself and Henry, her fiancé. Complicating matters is Philomena ’ s estranged father Edward McCarthy, a powerful man who has built a criminal empire along with his brothers. Philomena has long tried to pursue her career as a police officer without her father ’ s involvement, but as she falls under suspicion of stalking and harassing Goodall, her father becomes involved. As the situation escalates, Tempe ’ s sinister maneuvers further entangle Philomena in a web of secrets, corruption, and murder, putting Philomena ’ s impending marriage, career, and very survival in jeopardy... Spellbinding, suspenseful, and filled with complex characters that could be heroes or villains, Robotham has crafted a smart and propulsive thriller that ’ s impossible to put down.

No.1 bestselling author of Obsession

From the best-selling author of *Pretty Killer*, *No Justice*, and *12* comes *Heat To Obsession*, a gripping new stand-alone thriller by Nolon King. Superstar chef Amanda Byrd had it all -- a loving husband, two beautiful kids, and a critically-acclaimed restaurant -- until her epic meltdowns caused her marriage to implode. After a humiliating year of therapy and eating crow, her husband Mike has agreed to take her back, as long as she continues to keep her inner diva in check. Amanda's guilty secret: during that year of separation, she had an affair with the talented young chef, Noah, who worked in the hotel where she stayed after Mike kicked her out. Nothing serious, just a fling that she broke off as soon as Mike let her come home. But her indiscretion comes back to haunt her when a Hollywood power couple offers Amanda her own cooking show -- with Noah as one of the cohosts. Her unsuspecting husband demands she say yes: Mike resents that Amanda's restaurant doesn't bring in what it used to, and private school for two kids isn't cheap. It's soon clear that Noah hasn't given up on luring Amanda back into his bed. He's willing to destroy anything that stands between them: her family, her reputation, her career ... and maybe her sanity. A gut-wrenching, suspenseful thriller, *Heat To Obsession* is perfect for fans of Darcey Bell and Harlan Coban. Warning: *Heat To Obsession* is a tense psychological thriller that includes adult language and situations. While it is all within the context of the story, some readers may find this content offensive. Intended for mature audiences.

A wry and bold debut novel, which is at once an irresistible catastrophe waiting to happen and an unflinching exploration of how we narrate the stories of our lives, as an aspiring novelist finds herself stalking—and writing about—her boyfriend's ex-girlfriend. Twenty-four-year-old New York bookseller Naomi Ackerman is desperate to write a novel, but struggles to find a story to tell. When, after countless disastrous dates, she meets Caleb—a perfectly nice guy with a Welsh accent and a unique patience for all her quirks—she thinks she's finally stumbled onto a time-honored subject: love. Then Caleb's ex-girlfriend, Rosemary, enters the scene. Upon learning that Rosemary is not safely tucked away in Caleb's homeland overseas, but in fact lives in New York and also works in the literary world, Naomi is threatened and intrigued in equal measure. If they both fell for the same man, what else might they have in common? The more Naomi learns about Rosemary, the more her curiosity consumes her. Before she knows it, her casual Instagram stalking morphs into a friendship under false pretenses—and becomes the subject of her nascent novel. As her lies and half-truths spiral out of control, and fact and fiction become increasingly difficult to untangle, Naomi must decide what—and who—she's willing to sacrifice to write the perfect ending.
