das album "once upon a star" war meine erste LP von den rollers und ist (auch heute noch) eine höchst abwechslungsreiche angelegenheit (es kommen sogar mandoline und akkordeon zum einsatz!), äußerst hörenswert, wenn auch "nur" 2 hitsingles ("bye bye baby" und "keep on dancing") enthalten sind; sogar sage und schreibe 7 von den insgesamt 12 stücken des albums sind eigenkompositionen der jungs!

barbarian invokes an ancient spell—as an unexpected passion consumes her heart. In Ruth Ryan Langan's "The Curse of Castle Clough," a beautiful professor uncovers a shocking series of secrets while appraising the contents of a haunted castle—and falls in love with a desperate lord who's fighting to save everything he holds dear. Grandma always said dying is the the easy part; it's the living that's hard. I've been fighting to live since I was seven years old, and now the doctors say I'm gonna lose that battle soon. I've crossed off just about everything on my bucket list—I've seen the Eiffel Tower and the Coliseum and I've been swimming in the Caribbean; I've lived like I'm dying, because I am. There's just one thing left on my list: I want to be a bride. I want to wear white and have my dad walk me down the aisle. I want a first dance and cake and a night to feel like a princess...and I want it with Westley Britton. The perfect guy. Musician, actor, and every girl's dream man. My dream man. Only, he doesn't even know I exist. It's the start of a strange, improbable fairy tale. When you're talking about terminal leukemia, happily ever after seems impossible, but when your celebrity crush and the man of your dreams shows up out

"Once Upon a Star" is a true autobiography about a young Hollywood ingénue, searching for love in all the wrong places of La La land. Peggy bears her heart and soul in her quest for love amongst Hollywood's most elite players. An “enchanting” novel of an American woman crossing the pond—and getting more than she bargained for—from the New York Times bestselling author (Daily Mail). Claire takes the ferry into Manhattan every day, wishing that life could be as magical as it is in the novels she reads, and hoping she’ll catch a glimpse of sexy lawyer Michael at work. One day, out of the blue, Michael offers her a trip to London, all expenses paid, and Claire’s fortunes take an extraordinary about-turn. Crossing the Atlantic, a whole new world opens up for Claire. Finally, she can revel in all the delights London has to offer a girl with a fresh spring in her step. The streets may not be paved with gold, but they are rich with opportunity. But happily-ever-after isn’t easy, even in fairytales—especially when a very strait-laced Englishman seems determined to block your efforts at every turn . . . Praise for Olivia Goldsmith and her bestselling novels “What a great feeling to fall into the capable hands of Olivia Goldsmith. The author of *The First Wives Club* and *Bestseller* always serves up believable characters in slightly outlandish situations in a mixture that makes highly entertaining reading.”—People “Full of wisecracks, and gossip . . . Leslie Raymond spent the past two years wishing her life had taken a different turn. It’s time for a fresh start, a move across the country, and a new set of rules to help heal her heart—no straight women, no women with kids, and no commitment. But when she meets her new neighbors, the beautiful Erica and her special needs daughter, Siena, she struggles against the pull she immediately experiences. Erica Cooper has learned to rely only on herself. She knows most people don’t stick around when the going gets tough. And when caring for child with autism, the going can get tough fast. She is content with the quiet and emotionally safe life she’s constructed, but when they are befriended by their kind, playful, and—damn it—really hot new neighbor, the walls protecting her heart threaten to crumble. So much for good intentions and firm resolutions—neither stand a chance when the stars align for love.
