Farrago's Wainscot is a quarterly online zine that collects the weird and sublime in fiction and poetry. Words cannot be arranged in too strange a fashion for Old Man Farrago, and FWA 1 is the collected assortment of stories from the first year of the Wainscot's revival. Brand new! Fantastically fresh! With dogs in sweaters! Maybe not that last part, but everything else in the previous paragraph is true in the most literary weird sense possible, because that's what one comes to expect with the Wainscot.

Despite suspicion, ridicule, and outright opposition from organized medicine, osteopathy today serves the health needs of more than twenty million Americans.

John Ashbery's most renowned collection of poetry -- Winner of The Pulitzer Prize, the National Book Award, and the National Book Critics Circle Award First released in 1975, Self-Portrait in a Convex Mirror is today regarded as one of the most important collections of poetry published in the last fifty years. Not only in the title poem, which the critic John Russell called 'one of the finest long poems of our period,; but throughout the entire volume, Ashbery reaffirms the poetic power that made him an outstanding figure in contemporary literature. These are poems 'of breathtaking freshness and adventure in which dazzling orchestrations of language open up whole areas of consciousness no other American poet as ever begun to explore' (The New York Times).

Most Disney World guidebooks are as big as encyclopedias! Other Disney World guidebooks contain hundreds and hundreds of pages of overwhelming information! It kind of be like trying to drink water through a fire hose! This guidebook introduces you to Disney World and gives you plenty of details without making it confusing. Written by a teacher, this book teaches you about the parks, dining, resorts, transportation and more! This is a perfect book for everyone to learn about Disney World. This is especially the perfect book for spouses, grandparents, children and other people who need to know more about Disney World but don't have the time to read a book the size of an encyclopedia! Maybe you know someone who is going to Disney World, but not planning every detail. Maybe you know someone who is a little skeptical about going, but might spend a few minutes learning about where they're going. \*\*\*\*\*An introduction should be brief - not giving you hundreds of pages full of every detail. This book will introduce you to Walt Disney World Resort: the parks, types of hotels, dining, tickets, and a lot of tips and tricks. This isn't a guidebook that tells you about every ride, every resort and what to order at every restaurant. Instead, this guidebook is an introduction. So, if you aren't looking for the War and Peace version of a Walt Disney World Resort guidebook, then you've come to the right place. \*\*\* Will this be the only guidebook you'll ever need? Probably not. Think of this guidebook as a gateway to your destination. Maybe you'll want to read restaurant reviews online or visit Disney travel websites to learn about current vacation discounts. Use this book as a way to know what to look for. Use this book as a way to know what questions to ask. Use this book like an introductory college course. This book will introduce you to the four major theme parks: Magic Kingdom, Epcot, Hollywood Studios, and Animal Kingdom. This book will introduce you to the two water parks: Blizzard Beach and Typhoon Lagoon. This book has sections on dining, hotels, other entertainment, tickets, promotions, crowd sizes, Fastpass+, Magic Bands, how to get there, how to get around once you're there, and more! So, what are you waiting for - it's time to get introduced to Walt Disney World Resort! \*\*\* Here are some tips found in the book: DINING TIP: "You can purchase many things that aren't listed on the menu. Consider asking for an entrée without the side that is listed with it. You might even be able to order a slice of bread or a slice of bacon on the side." BOOKING HOTELS: "You can also book Disney hotels through online booking sites such as Expedia or Orbitz. While these sites don't offer packages with tickets, they often offer similar room-only discounts when Disney World is running promotions. A great tip is that sometimes these online booking sites have coupon codes that offer a percentage off your booking. Some people even have rewards dollars or credits that they can use with online booking sites." USING FASTPASS+: "Be aggressive when using the My Disney Experience app to select additional Fastpasses once your original three are done. Never give up on a certain ride or a certain time. People are always changing their Fastpasses which makes Fastpass availability change every second. Therefore, you can refresh the available Fastpasses by selecting different times at the top of the screen. It is possible that rides that aren't available at all now will be available the next minute."
