Mom's Got Money is a mother ' s guide—an instruction manual to help them use the skills they already possess to become extraordinarily confident managers of their money. Alford won't pretend mothers don't have a lot on their plate. She already knows they're pressed for time. The weight of their daily decisions takes a toll. Sometimes, it feels like they manage everything, whether they have a supportive spouse or not. She knows this because it's that way in her house too.
