This best-selling textbook explains the essential concepts, practices, procedures, calculations, and interpretations of figures that relate to merchandising and buying at the retail level.

Perry's Department Store: An Importing Simulation teaches business in the dynamics of the international marketplace by placing the reader in the role of a retail buyer importing jeans into the United States. The import process is divided into eight steps: profiling suitable countries for export, developing sourcing strategies, recognizing differences in

Get Free Perrys Department Store A Buying Simulation Studio Access Card

working across cultures, understanding the policies and laws governing importing, classifying imported product, financing the import purchase, determining shipping procedures for imports, and completing the entry process. Resources and worksheets for the simulation are included on the accompanying CD-ROM.

Marketer Perry Marshall converts the widely known 80/20 principle into a master framework that multiplies the power of everything you do in sales and marketing and makes scary-accurate predictions. It's the ultimate secret to selling more while working less. Guided by famed marketing consultant and best-

Get Free Perrys Department Store A Buying Simulation Studio Access Card

selling author Perry Marshall, sales and marketing professionals save 80 percent of their time and money by zeroing in on the right 20 percent of their market - then apply 80/202 and 80/203 to gain 10X, even 100X the success. With a powerful 80/20 software tool (online, included with the book), sellers and marketers uncover how to slash time-wasters; advertise to hyper-responsive buyers and avoid tire-kickers; gain coveted positions on search engines; differentiate themselves from competitors and gain esteem in their marketplace. With the included tools they'll see exactly how much money they're leaving on the table, and how to put it back in their pockets. Sellers will identify untapped markets, high-profit

Get Free Perrys Department Store A Buying Simulation Studio Access Card

opportunities and incremental improvements, gaining time and greater profit potential. Supported by online tools from Marshall, including The 80/20 Power Curve, a tool that helps you see invisible money, and a Marketing DNA Test, a personal assessment that zeroes in on one's natural selling assets, this timeless guide promises to change the game for seasoned and novice marketers and sellers.

Move over, Bert and Ernie: there's a new odd couple in town! Exuberant Peanut and steadfast Moe are roommates and best friends . . . most of the time. Peanut is messy. Moe is neat. Peanut is loud. Moe is quiet. Peanut always wants more. Moe always wants a

Get Free Perrys Department Store A Buying Simulation Studio Access Card

little less. Can these two learn to appreciate their differences? With bright, bold, eye-catching illustrations and two adorable characters, Gina Perry has created a book that will appeal to all the Peanuts and Moes in the world -- whether they think it's too much or not enough!

The Chemotherapy Source Book, Fourth Edition pulls together all the current information on the chemotherapeutic management of cancer patients, including choice of chemotherapeutic agents, use of combinations, and toxicity of individual drugs. Organized by disease site, the book brings together pharmacologic and patient management information

Get Free Perrys Department Store A Buying Simulation Studio Access Card

in one source that clinicians can consult for any question encountered in the delivery of chemotherapy. This updated Fourth Edition includes new drugs as well as new indications for older drugs. Content has been streamlined to provide essential information more quickly for the busy practitioner. Plus, this edition is softcover for greater portability and convenience.

In this intimate book of inspiration, Tyler Perry writes of how his faith has sustained him in hard times, centered him in good times, and enriched his life. Higher Is Waiting is a spiritual guidebook, a collection of teachings culled from the experiences of a lifetime,

Get Free Perrys Department Store A Buying Simulation Studio Access Card

meant to inspire readers to climb higher in their own lives and pull themselves up to a better, more fulfilling place. Beginning with his earliest memories of growing up a shy boy in New Orleans, Perry recalls the moments of grace and beauty in a childhood marked by brutality, deprivation, and fear. With tenderness he sketches portraits of the people who sustained him and taught him indelible lessons about integrity, trust in God, and the power of forgiveness: his aunt Mae, who cared for her grandfather, who was born a slave, and sewed quilts that told a story of generations; Mr. Butler, a blind man of remarkable dignity and elegance, who sold penny candies on a street corner; and his beloved mother, Maxine, who

Get Free Perrys Department Store A Buying Simulation Studio Access Card

endured abuse, financial hardship, and the daily injustices of growing up in the Jim Crow South yet whose fierce love for her son burned bright and never dimmed. Perry writes of how he nurtured his dreams and discovered solace in nature, and of his resolute determination to reach ever higher. Perry vividly and movingly describes his growing awareness of God's presence in his life, how he learned to tune in to His voice, to persevere through hard times, and to choose faith over fear. Here he is: the devoted son, the loving father, the steadfast friend, the naturalist, the philanthropist, the creative spirit—a man whose life lessons and insights into scripture are a gift offered with generosity, humility, and love.

Retail Advertising and Promotion explores how today's retailers can effectively reach their existing customers while also attracting and retaining new ones. The only advertising book that focuses specifically on the retail industry, it covers historical perspectives, ethics, regulations, and current trends while featuring practical information on planning and budgeting and advice on how to work with advertising agencies. All forms of advertising media are covered, from newspapers and magazines to television, radio, outdoor advertising, and the Internet. The book also discusses promotional tools such as special events, visual merchandising, and public relations, providing

students with all they need to coordinate successful advertising and promotional initiatives on behalf of a retail business. Instructors, contact your Sales Representative for access to Instructor's Materials.

The groundbreaking exploration of the power of empathy by renowned child-psychiatrist Bruce D. Perry, co-author, with Oprah Winfrey, of *What Happened to You? Born for Love* reveals how and why the brain learns to bond with others—and is a stirring call to protect our children from new threats to their capacity to love. “Empathy, and the ties that bind people into relationships, are key elements of happiness. *Born for Love* is truly fascinating.” —

Get Free Perrys Department Store A Buying Simulation Studio Access Card

Gretchen Rubin, author of *The Happiness Project* From birth, when babies' fingers instinctively cling to those of adults, their bodies and brains seek an intimate connection, a bond made possible by empathy—the ability to love and to share the feelings of others. In this provocative book, psychiatrist Bruce D. Perry and award-winning science journalist Maia Szalavitz interweave research and stories from Perry's practice with cutting-edge scientific studies and historical examples to explain how empathy develops, why it is essential for our development into healthy adults, and how to raise kids with empathy while navigating threats from technological change and other forces in the modern world. Perry and Szalavitz

Get Free Perrys Department Store A Buying Simulation Studio Access Card

show that compassion underlies the qualities that make society work—trust, altruism, collaboration, love, charity—and how difficulties related to empathy are key factors in social problems such as war, crime, racism, and mental illness. Even physical health, from infectious diseases to heart attacks, is deeply affected by our human connections to one another. As *Born for Love* reveals, recent changes in technology, child-rearing practices, education, and lifestyles are starting to rob children of necessary human contact and deep relationships—the essential foundation for empathy and a caring, healthy society. Sounding an important warning bell, *Born for Love* offers practical ideas for combating the negative influences of

Get Free Perrys Department Store A Buying Simulation Studio Access Card

modern life and fostering positive social change to benefit us all.

Mount Airy North Carolina was the birthplace of the late actor Andy Griffith and Historian Tom Perry. In this memoir of their hometown, Perry tells the story of the real Mayberry and his thoughts of the most famous son of the piedmont North Carolina town. This book is part memoir, part biography and part tour guide about Andy Griffith and Mount Airy, North Carolina. Beginning on the day Andy Griffith died, July 3, 2012, Perry tells about the town that day and goes back in time to bring Griffith and his own family to Mount Airy to work in the factories in the twentieth

Get Free Perrys Department Store A Buying Simulation Studio Access Card

century. Sharing his connections with Griffith, Perry tells about the youth both shared in Mount Airy. The book then follows Andy Griffith to the University of North Carolina at Chapel Hill, Goldsboro to teach school and then Broadway, television and movies in a career that lasted decades. The book also details the effect of Andy Griffith on Mount Airy with the decades long tourism boom that began in the 1980s with the town taking on the persona of the fictional Mayberry that Griffith obviously used to in his highly successful Andy Griffith Show that ran on CBS for eight years ending its run as the number one show on television.
