Pinocchio

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy.As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy.Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.

Pinocchio plays pranks upon the kindly woodcarver Geppetto, is duped by the Fox and the Cat, kills the pedantic Talking Cricket, and narrowly escapes death, with the help of the blue-haired Fairy. A wooden puppet without strings, Pinocchio is a tragicomic figure, a poor, illiterate, naughty peasant boy who has few choices in life but usually chooses to shirk his responsibilities and get into trouble. This sly and imaginative novel, alternately catastrophic and ridiculous, takes Pinocchio from one predicament to the next, and finally to an optimistic, if uncertain, ending. In his compelling introduction, Jack Zipes places Pinocchio within the traditions of the oral folk tale and the literary fairy tale, showing how Collodi subverts those traditions while raising questions about "how we 'civilize' children in uncivilized times." For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Pinocchio was created as a wooden puppet by a woodcarver named Geppetto who lived in a small Italian village. However Pinocchio dreamed of becoming a real boy.

A revelatory new annotated edition of the most translated Italian book in the world—the basis for two new major motion pictures: a Netflix animated version co-directed and co-written by Guillermo del Toro and voiced by Ewan McGregor, Cate Blanchett, and Tilda Swinton, and a Disney Plus live-action version directed by Robert Zemeckis and starring Tom Hanks, Cynthia Erivo, Joseph Gordon-Levitt, Lorraine Bracco, and Keegan-Michael Key A Penguin Classic Carved from a piece of wood by the old carpenter Geppetto, the puppet Pinocchio comes to life and immediately starts to misbehave. But while this beloved character has achieved literary immortality, the novel has been widely misunderstood. Pinocchio has a penchant for lying, to be sure, but it's when he avoids going to school that he repeatedly gets into trouble. The Adventures of Pinocchio is thus not a cautionary tale about lying but an unusually timely fable for our increasingly authoritarian times—a story about the importance of education and of preventing others from pulling our strings. This effervescent new translation captures the antic spirit that makes the mischievous, egotistical, and easily distracted Pinocchio a late nineteenth-century prototype for the likes of Bart Simpson. Featuring copious annotations informed by the translators’ deep knowledge of Italy, it reveals the novel to be not only a subversively entertaining children’s book but also a sophisticated satire reflecting the author’s concern for the social inequality of his time and his belief that duty to others is at the core of our humanity. For more than seventy-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 2,000 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The original, unabridged Pinocchio in a beautifully illustrated hardcover edition. Carlo Collodi’s 1883 story is an astonishing work of fantasy, even richer and more wildly imaginative than the famous film that Disney made of it. The Everyman’s edition—the only one in hardcover—brings back the color-illustrated translation of 1916 that captures the vivid inventiveness of Collodi’s original. Here is the endearing wooden puppet, always dreaming of becoming a boy and always tumbling into trouble: kidnapped, robbed by a cat and a fox, turned into a donkey, escaping from an enormous smoking serpent and a green-skinned ogre, rescuing his father from the belly of a mile-long fish, haunted by the ghost of a talking cricket, watched over by a fairy with turquoise hair, and, time and again, betrayed by his lie-sensitive nose.

Carved from a piece of pine by a woodcarver named Geppetto in a small Italian village, Pinocchio was created as a wooden puppet, but dreamt of becoming a real boy.

Pinocchio is a fictional character and the main protagonist of the children's novel The Adventures of Pinocchio (1883), by the Italian writer Carlo Collodi. Carved by a woodcarver named Geppetto in a small Italian village, he was created as a wooden puppet, but dreamed of becoming a real boy. He has also been used as a character who is prone to telling lies and fabricating stories for various reasons. The story has appeared in many adaptations in other mediums. Pinocchio has been called an icon of modern culture, and one of the most reimagined characters in the pantheon of children's literature.

Pinocchio, a wooden puppet full of tricks and mischief, with a talent for getting into and out of trouble, wants more than anything else to become a real boy.

Discover the secrets of Oscar-winning director Guillermo del Toro's stop-motion masterpiece Pinocchio through stunning unseen art and incisive commentary from the filmmaker and his collaborators. Academy Award®-winning filmmaker Guillermo del Toro reinvents Carlo Collodi's classic tale of the wooden marionette who is magically brought to life in order to mend the heart of a grieving woodcarver named Geppetto.
