revised and expanded Instructor's Manual and an interactive Student Study Guide on CD (packaged with the text)

Police & Society, Seventh Edition, offers an in-depth and analytical look at policing, from police behavior and organization to operations and historical perspectives. Focusing on the relationship between the police and the community and how it has changed throughout the years, the authors explore the most important theoretical foundations and incisive research on contemporary policing and show how that research is put into practice. The text is enhanced by extensive pedagogy and a unique chapter on higher education and policing.

Social, political, and economic relationships played key roles in the historical development of the police. The authors present policing strategies from the vantage points of marginalized communities and emphasize the intersection of attitudes about class, race/ethnicity, gender, and sexual orientation with policies. Police practices cannot be class neutral in a class society, nor can they be race neutral or gender neutral in a racist, sexist, and heterosexist society. The key to understanding the relationship between the police and society is to think critically about the role of power and interests. The second edition includes a new chapter in the section on the police and rebellion covering recent events. There is also a new chapter on Latino/a police officers and an expanded chapter on LGBTQ police officers.

Without meaningful social change toward greater justice, police reforms such as community policing and training in cultural diversity will fall short of creating an institution characterized by fairness and equality for all members of society. A clear view of history is essential for understanding the challenges a more diverse police force faces in today ' s multicultural environment.

The author's sociological approach is based on his fieldwork--observing, interviewing, & sharing the day-to-day experiences of police in both the United States & the United Kingdom.

Policing and Society: A Global Approach covers a wide range

Download File PDF Police And Society Fifth Edition Study Guide

of topics related to policing, with strong sociological analysis and an emphasis on global concepts and issues. This well-organized, reader-friendly book includes comprehensive coverage of important issues such as police corruption, use of excessive force, and police subculture. The book's unique international approach includes guest-written International Perspectives and various case studies, examples, and analogies illustrating policing here and in other countries. Students are able to compare and understand policing methods, challenges, and solutions across nations and cultures and develop a broader outlook on law enforcement worldwide. Policing and Society: A Global Approach reflects the current state of policing and where the forefront of policing will be in the coming years. With this book, students

Download File PDF Police And Society Fifth Edition Study Guide

not only develop an understanding of law enforcement on a local, regional, and national level, but also gain a deeper appreciation of issues on a larger scale, in the international community. The text's combined global and sociological perspective provides students with the knowledge and competence to better understand global law enforcement issues in a post 9/11-era. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The fifth edition of the popular and highly acclaimed *The Politics of the Police* has been completely revised, expanded, and updated to take in recent changes in the law, policy, and organization of policing. Benjamin Bowling, Robert Reiner,

Download File PDF Police And Society Fifth Edition Study Guide

and James Sheptycki, regarded as leading figures in the field, draw upon the findings of police research to provide readers with a stimulating and insightful discussion of the debates and controversies that surround the police, and analyse the proposals for reform. Covering a wide range of empirical and theoretical issues, this book is transnational in scope and reflects the growing diversity of policing forms in today's globalized world.

This comprehensive text provides an overview of law enforcement topics, integrating major empirical findings and theory-based research findings in the field with a thorough

analysis of contemporary policing problems. The issues-oriented discussion focuses on critical concerns facing American police, including personnel systems, organization and management, operations, discretion, use of force, culture and behavior, ethics and deviance, civil liability and police-community relations. A critical assessment of police history and the role politics played in the development of American police institutions is offered. Globalization, terrorism and homeland security are addressed. Video links provide additional coverage of topics discussed in the text. Now in full color, with color photographs and illustrations. Video links provide additional coverage of topics discussed in the text. Key concepts, internet links, charts and tables support the text throughout. Includes a glossary.

Police in America provides students with a comprehensive

Download File PDF Police And Society Fifth Edition Study Guide

and realistic introduction to modern policing in our society. Utilizing real-world examples grounded in evidence-based research, this easy-to-read, conversational text helps students think critically about the many misconceptions of police work and understand best practices in everyday policing. Respected scholar and author Steven G. Brandl draws from his experience in law enforcement to emphasize the positive aspects of policing without sugar-coating the controversies of police work. Brandl tackles important topics that center on one question: “What is good policing?” This includes discussions of discretion, police use of force, and tough ethical and moral dilemmas—giving students a deeper look into the complex issues of policing to help them think more broadly about its impact on society. Students will walk

Download File PDF Police And Society Fifth Edition Study Guide

away from this text with a well-developed understanding of the complex role of police in our society, an appreciation of the challenges of policing, and an ability to differentiate fact from fiction relating to law enforcement.
