Prentice Hall America: A History of Our Nation is a program designed to engage today's students in the exciting story of our nation's past. Built around meeting the way you teach and the way your child learns, the program provides different pathways into the content for all levels and types of learners, while providing cutting-edge support developed to provide a "wow!" factor at each stage of instruction. The program is built around Essential Questions designed to stimulate conversation, emphasize source analysis, hands-on learning, and critical thinking with a goal of helping students to achieve an enduring understanding of America's past. Authors focus on the "why" of history—helping students make meaning of what happened long ago and why it remains important to us today. The Survey Edition - supports all American History courses from the beginnings to the modern day The Beginnings Through 1877 Edition - supports courses covering up to the Civil War and Reconstruction. The Civil War to the Present Edition - can be used for the second part of a two-year American History course and includes a review of American History to the Civil War.

United States History & Geography explores the history of our nation and brings the past to life for today's high school students. The program's robust, interactive rigor includes a strong emphasis on biographies and primary sources, document-based questions, critical thinking and building historical understanding, as well as developing close reading skills. ISBN Copy Trusted, renowned authorship presents the history of the United States in a streamlined print Student Edition built around Essential Questions developed using the Understanding by Design® instructional approach. Includes Print Student Edition

This text provides in-depth balanced content covering the beginnings of U.S. history through the present.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Developed to meet the needs of modern United States history courses. This text includes a review unit bridging early American history content before studying modern times. Authors Emma J. Lapsansky-Werner, Peter B. Levy, Randy Roberts, and Pulitzer Prize winner Alan Taylor inspire today's students by presenting our nation's history as a continuing drama. Their focus on enduring American issues help students understand why history matters. As part of their desire to reach out to every teacher in high school U.S. history classrooms, the authors have contributed their own personal insights about the content and teaching of each chapter. --Website.
