Discover new, practical methods for teaching literacy skills in your early childhood classroom. Has teaching early literacy skills become a stumbling block to getting your preschool students kindergarten ready? Break out of the tired "letter of the week" routine and learn how to transform your lessons with fun and effective techniques. Teach Smarter: Literacy Strategies for Early Childhood Teachers will equip teachers to infuse every aspect of their teaching with exciting hands-on literacy teaching methods that engage students and help them build authentic connections with books, so that 100% of their students will have a strong literacy foundation and will be fully prepared for success in kindergarten and beyond. Respected author Vanessa Levin, veteran early childhood educator and author of the "Pre-K Pages" blog, breaks down the research and translates it into realistic, actionable steps you can take to improve your teaching. Features specific examples of teaching techniques and activities that engage students in hands-on, experiential learning during circle time, centers, and small groups. Offers a simple, four-step system for teaching literacy skills, based on the foundational principles of early literacy teaching Demonstrates how to build your confidence in your ability to get 100% of your students ready for kindergarten, long before the end of the school year Understand the problems with traditional literacy teaching and identify gaps in your current teaching practice with this valuable resource.

Designed for teachers of 3- to 5-year-olds, this complete curriculum book focuses on how teachers can encourage, facilitate, and stimulate children's learning and growth. Each chapter discusses child development theory and relates theory to practice in ways that every teacher can understand and implement. It contains a comprehensive appendix, planning strategies, and an array of useful teaching tools.

More than 1,200 activities that engage every type of learner by one of Gryphon House's best-selling authors.

You don't need to feel alone in parenting. You don't need to feel like you're failing. And you definitely don't need another parenting book filled with theoretical advice about theoretical children. You need actual parenting help from an actual parent. It's time to feel confident in your parenting. Susie Allison, creator of the massive online community Busy Toddler, is a breath of fresh air. With her humor and engaging personality, she helps parents find their footing, shift their perspective on childhood, and laugh at the twists and turns of parenting we all face. (Yes, it's ok that your child licked a shopping cart - they pretty much all do that.) In Busy Toddler's Guide to Actual Parenting, Susie gives the achievable advice she's known for around the world, from daily life and #beingtwoisfine to tantrums and tattling and teaching the ABCs. The book also includes 50+ of her famous activities that have helped thousands of parents make it to nap time-FYI, the popsicle bath is a game-changer. Susie shares real moments raising her three kids as well as her professional knowledge from eight years as a kindergarten and 1st grade teacher. Her simple and doable approach to parenting will leave you feeling so much better! Let Susie give you the actual parenting advice you need.

Finally, homeschoolers have a comprehensive guide to designing a homeschool curriculum, from one of the country's foremost homeschooling experts. , Rebecca Rupp presents a structured plan to ensure that your children will learn what they need to know when they need to know it, from preschool through high school. Based on the traditional pre-K through 12th-grade structure, Home Learning Year by Year features: The integral subjects to be covered within each grade Standards for knowledge that should be acquired by your child at each level Recommended books to use as texts for every subject Guidelines for the importance of each topic: which knowledge is essential and which is best for more expansive study based on your child's personal interests Suggestions for how to sensitively approach less academic subjects, such as sex education and physical fitness

The Creative Curriculum comes alive! This videotape-winner of the 1989 Silver Apple Award at the National Educational Film and Video Festival-demonstrates how teachers set the stage for learning by creating a dynamic well-organized environment. It shows children involved in seven of the interest areas in the The Creative Curriculum and explains how they learn in each area. Everyone conducts in-service training workshops for staff and parents or who teaches early childhood education courses will find the video an indispensable tool for explainin appropriate practice.

This text is designed for advanced Curriculum, Methods, and Issues courses in Early Childhood Education and Child and Family Studies departments. As the only text of its kind, this book provides in-depth information about Vygotsky's theories, neo-Vygotskians' findings, and concrete explanations and strategies that instruct teachers how to influence student learning and development. Key changes to this edition include a new chapter on dynamic assessment, separate and expanded chapters on developmental accomplishments of infants and toddlers, preschool/kindergarten, and primary grades and o.

This curriculum is a complete preschool curriculum. The author is a certified educator with over 18 years of teaching experience. She currently serves as Preschool Ministry Coordinator with a church. Each week's lesson plan includes Bible Time, Greeting Circle, Center Time, Circle Time, Story Time, Nap Time, Game Time and Music, and Closing Circle. No additional planning will be necessary to implement the lessons contained in this book. It is set up to cover one letter per week. In addition to the letter of the week, it includes a weekly theme that starts with the letter of the week. The same color, shape, and number are worked on all month long. Each lesson includes activities for teaching and practicing letter skills, number skills, shapes, and colors. In addition, there is a weekly scripture memory verse (KJV), art projects, and snack ideas. This curriculum begins in August and ends in May. The activity and craft ideas included are very budget friendly. There are Holiday Lessons plans for every major holiday that falls within the school year. This resource contains ready made lesson plans for a 10 month school year. It is perfect for homeschool, Christian Daycare, or Mother's Morning Out.

Designed by experts in education, a workbook features full-color illustrations to guide children step-by-step through a variety of developmentally appropriate activities in phonics, reading, reading comprehension, language arts, writing, and math.
