Maajid Nawaz subtly reveals much in his seemingly effortlessly titled, Radical: My Journey Out of Islamist Extremism. The word radical, though often used in modern English to mean extreme, actually derives its meaning from the Latin word radix, meaning, " root. " Nawaz cleverly employs both meanings—the old and the new—to describe who he once was and who he has now become: a former leader of an Islamist organization who is now on the frontlines of a personal mission to rid Islam of the ...

Maajid Nawaz spent his teenage years listening to American hip-hop and learning about the radical Islamist movement spreading throughout Europe and Asia in the 1980s and 90s. At 16, he was already a ranking member in Hizb ut-Tahrir, a London-based Islamist group. He quickly rose through the ranks to become a top recruiter, a charismatic spokesman for the cause of uniting Islam ' s political power across the world. Nawaz was setting up satellite groups in Pakistan, Denmark, and Egypt when he was rounded up in the aftermath of 9/11 along with many other radical Muslims. He was sent to an Egyptian prison where he was, fortuitously, jailed along with the assassins of Egyptian President Anwar Sadat. The 20 years in prison had changed the assassins ' views on Islam and violence; Maajid went into prison preaching to them about the Islamist cause, but the lessons ended up going the other way. He came out of prison four years later completely changed, convinced that his entire belief system had been wrong, and determined to do something about it. He met with activists and heads of state, built a network, and started a foundation, Quilliam, funded by the British government, to combat the rising Islamist tide in Europe and elsewhere, using his intimate knowledge of recruitment tactics in order to reverse extremism and persuade Muslims that the ' narrative ' used to recruit them (that the West is evil and the cause of all of Muslim suffering), is false. Radical, first published in the UK, is a fascinating and important look into one man's journey out of extremism and into something else entirely. This U.S. edition contains a "Preface for US readers" and a new, updated epilogue.

In Mission-Driven Leadership, Mark Bertolini, the long-time chairman and CEO of Aetna, the Fortune 500 health insurance company, reveals that genuine leadership is not about dollars and market share but about improving lives and communities. Mark Bertolini didn't get to the corner office through traditional means. He grew up in a blue-collar neighborhood in Detroit. Early in his career, he was known for his bare-knuckled leadership and hard driving competitiveness that helped him to turnaround several companies. But his ambition came at a cost as he ran roughshod over his colleagues and employees, and spent time away from his family. Two events served as wakeup calls for the hard-charging Bertolini. First his son Eric was diagnosed with incurable cancer, and Bertolini found himself confronting the healthcare industry firsthand, not as an executive, but as the parent of a deathly ill child, determined to save his son's life. And miraculously, after a year in the hospital, often at death's door--Eric was twice given last rites--his son recovered. The second wakeup call was a skiing accident several years later in which Bertolini broke his neck. As his life unraveled in the face of years of chronic pain, therapy, and medication, he realized he had to reinvent himself, emotionally, spiritually, and as a leader--or go under. Mission-Driven Leadership speaks to the lessons Bertolini learned about empathy, about helping employees and Aetna's customers take better care of themselves and each other, about the need to "find the divine in me," and the importance of getting out to meet with employees and customers face-to-face in town halls to truly discover their needs and better serve them.

The radicalization of Muslims and Islamic institutions in the United States, Europe, and across the Islamic world has fostered a new generation of Islamist activists, many of them willing to use violence to achieve their aims. In Radical Islam in America, Chris Heffelfinger describes the development of the Islamist movement, examines its efforts and influence in the West, and suggests strategies to reduce or eliminate the threat of Islamist terrorism. The book distinguishes Islamism (the fundamentalist political movement based on Islamic identity and values) from the Muslim faith and explores Islamists' substantial inroads with Muslims and Muslim educational institutions in the West since the 1960s, as well as the larger relationship between Islamist political activism and militancy. Heffelfinger argues that the West has often mischaracterized jihadists as a nihilistic, irrational force desiring nothing but death and destruction. Instead, we need to recognize that Islamists are part of a much broader struggle over the political, social, economic, and legal direction of Muslims around the world. Our failure to understand the motives behind terrorist tactics has resulted not only in ineffective counterterrorism strategies but also in the proliferation of Islamist militants and sympathizers. Among the hundreds of terrorism-related arrests since 9/11, a large number were young, socially alienated Muslims who were moved by the jihadist message but not directed by jihadist networks overseas. That phenomenon—and the ideology behind it—is what Western society and governments must fully understand in order to construct a viable policy to confront it. This book will appeal to scholars and general readers interested in global politics, current affairs, Middle East terrorism, and counterterrorism.

Traces the experiences of a Jewish American who converted to radical Islam during his college years and accepted a job working for an extremist charity that was eventually charged by the U.S. government with funding terrorist organizations.

Travel the world, change lives, save souls. (Note: Results not typical.) A young idealist heeds the call to radical obedience, gives away all of his belongings and shaking off the fetters of a complacent life, travels halfway around the world. There he discovers, among the poor and the fatherless of West Africa, that he has only surrendered to a new kind of captivity. There is no doubt that young people today are fully invested in social and human rights issues. They start their own nonprofits, they run their own charities, they raise money for worthy causes. Books on saving the world abound, topping the bestsellers ' lists, fueling the drive to prove not only commitment to the world but devotion to God. Now there is a new crop of books starting to emerge, detailing the consequences of trying to save a world that is not ours to save. But none of these books tell the story thatRunaway Radical tells; this is the first book to highlight the painful personal consequences of the new radicalism, documenting in heartbreaking detail what happens when a young person becomes entrapped instead of liberated by its call. His radical resolve now shaken, he returns home to rebuild his life and his faith. Runaway Radical serves as an important and cautionary tale for all who lead and participate in compassion activism, in the art of doing good— both overseas and at home— amidst this new culture of radical Christian service.

Rose Pastor arrived in New York City in 1903, a Jewish refugee from Russia who had worked in cigar factories since the age of eleven. Two years later, she captured headlines across the globe when she married James Graham Phelps Stokes, scion of one of the legendary 400 families of New York high society. Together, this unusual couple joined the burgeoning Socialist Party and, over the next dozen years, moved among the liveliest group of activists and dreamers this country has ever seen. Their friends and houseguests included Emma Goldman, Big Bill Haywood, Eugene V. Debs, John Reed, Margaret Sanger, Jack London, and W.E.B. Du Bois. Rose stirred audiences to tears and led strikes of restaurant waiters and garment workers. She campaigned alongside the country's earliest feminists to publicly defy laws against distributing information about birth control, earning her notoriety as "one of the dangerous influences of the country" from President Woodrow Wilson. But in a way no one foresaw, her too-short life would end in the same abject poverty with which it began.

In this dialogue between a famous atheist and a former radical, Sam Harris and Maajid Nawaz invite you to join an urgently needed conversation: Is Islam a religion of peace or war? Is it amenable to reform? Why do so many Muslims seem drawn to extremism? The authors demonstrate how two people with very different views can find common ground.

Radical Radiance is an innovative self-care program that allows you to hone your inner and outer beauty with twelve simple rituals based in Korean skin care regimens, from the founder and CEO of Savor Beauty + Spa, Angela Jia Kim. We can all think of someone who radiates beauty, vibrancy, and confidence that emanates from a lit-from-within quality. But what exactly is this irresistible magnetism, and how can you develop it within yourself to manifest all the abundance, beauty, and joy that you not only crave, but deserve? In this customizable 12-week self-care program, Angela Jia Kim teaches you how to nourish your inner and outer glow so your radiance shines from every pore of your being. Drawing upon her Korean beauty heritage and decades of experience as a former concert pianist and founder of Savor Beauty, she reveals how your skin and soul have a lot in common—they both need purification, detoxification, exfoliation, and nourishment. Within, you will find: - A profound self-love practice: how to treat your skin " like the most expensive silk on Earth, " as Angela ' s mom would say, which sets a deep foundational lesson for how to treat your soul - Over 50 simple-yet-powerful self-care prompts, purposeful plans, and radiance rituals. - Real-life stories to inspire you to become a magnetic manifesting force by restoring self-worth, awakening feminine energy, and connecting with your Higher Self. Radical Radiance teaches you how to illuminate your authentic beauty and transform your life for radiance, magic,

and happiness.

New York Times • Times Critics Top Books of 2019 This long-overdue biography reestablishes William Monroe Trotter ' s essential place next to Douglass, Du Bois, and King in the pantheon of American civil rights heroes. William Monroe Trotter (1872– 1934), though still virtually unknown to the wider public, was an unlikely American hero. With the stylistic verve of a newspaperman and the unwavering fearlessness of an emancipator, he galvanized black working- class citizens to wield their political power despite the violent racism of post- Reconstruction America. For more than thirty years, the Harvard-educated Trotter edited and published the Guardian, a weekly Boston newspaper that was read across the nation. Defining himself against the gradualist politics of Booker T. Washington and the elitism of W. E. B. Du Bois, Trotter advocated for a radical vision of black liberation that prefigured leaders such as Marcus Garvey, Malcolm X, and Martin Luther King Jr. Synthesizing years of archival research, historian Kerri Greenidge renders the drama of turn- of- the- century America and reclaims Trotter as a seminal figure, whose prophetic, yet ultimately tragic, life offers a link between the vision of Frederick Douglass and black radicalism in the modern era.

You won the election... now what? Activist organizing meets government gridlock as a millennial New Yorker cartoonist follows a first-year senator on her unforgettable journey — from outsider to insider. In early 2018, cartoonist Sofia Warren was not paying attention to New York state politics. But that summer, her Brooklyn neighborhood began buzzing about Julia Salazar, a 27-year-old democratic socialist running for state senate whose grassroots campaign was inspiring an army of volunteers. When they beat the odds and won, Warren found herself wondering what would happen next. How does it work when an outsider who runs on revolutionary change has to actually do the job? So she decided to find out. Using the graphic memoir format, Radical: My Year with a Socialist Senator is a remarkable first-hand account of Warren ' s experience embedded with Julia Salazar and her staff during their first year in office. From candid conversations and eyewitness experiences, Warren builds a gripping and intimate portrait of a scrappy team of community organizers battling entrenched power structures, particularly to advance Julia ' s marquee issue of housing rights. At every key point during the year — setting up an office, navigating insider politics, public pushback, testy staff meetings, emotional speeches, protest marches, setbacks, and victories — Warren is up close and personal with Julia and her team, observing, questioning, and drawing, as they try to translate their ideals into concrete legislation. Along the way, Warren works toward answers to deeper questions: what makes a good leader? What does it mean to be a part of a community? Can democracy work? How can everyday people make change happen? All these themes are explored — with nuance, compassion, and humor — in Sofia Warren ' s remarkable debut.
