A well-written letter can help you to secure a job interview. It directs attention to your good points and away from your weaker ones, helping you to create the right impression and get your point across clearly and concisely. Whether you have considerable experience, are looking for a first job, or returning from a career break, you need to be able to write a professional, business-like letter. Your letter is the first thing that the employer sees, so the impression that they get at this stage will stay with them. This fully revised new edition of Readymade Job Search Letters gives advice on style, presentation, the best words to use, common mistakes to avoid, and writing effective email job applications. It will help you to make a favourable impression, inform, persuade and build a good relationship with the people you write to in order to get that interview. It also provides a wide selection of letters for different situations that can be adapted for individual use, such as: speculative enquiries to a company, requests for an introduction, replies to an advertised vacancy, applications for promotion, cover letters for CVs. Punchy and informative and with supporting online downloadable sample letters, Readymade Job Search Letters is essential kit for any serious job-hunter.

This book is a succinct guide to company law. The reader is guided through the elements involved in forming a company, and other vital areas are explained in detail, including: the availability of public information on companies and how to find it; directors' obligations; minority shareholders' rights; the memorandum and articles of association; how a company should execute a document; company meetings and charges; and debentures. This third edition has been updated to include consideration of recent important cases, as well as key statutory instruments that have impacted upon company law since the last edition. It also includes a section on dividends and an analysis of the DTIs proposals for reform of company charges.

The perfect lifesaver for anytime you need to save the day! This rich resource provides complete instructions and materials for organized, engaging, theme-based activities. You can turn to this anytime a field trip gets rained out or a school assembly is cancelled at the last minute.
