A behind-the-scenes look at the firm behind WordPress.com and the unique work culture that contributes to its phenomenal success 50 million websites, or twenty percent of the entire web, use WordPress software. The force behind WordPress.com is a convention-defying company called Automattic, Inc., whose 120 employees work from anywhere in the world they wish, barely use email, and launch improvements to their products dozens of times a day. With a fraction of the resources of Google, Amazon, or Facebook, they have a similar impact on the future of the Internet. How is this possible? What's different about how they work, and what can other companies learn from their methods? To find out, former Microsoft veteran Scott Berkun worked as a manager at WordPress.com, leading a team of young programmers developing new ideas. The Year Without Pants shares the secrets of WordPress.com's phenomenal success from the inside. Berkun's story reveals insights on creativity, productivity, and leadership from the kind of workplace that might be in everyone's future. Offers a fast-paced and entertaining insider's account of how an amazing, powerful organization achieves impressive results Includes vital lessons about work culture and managing creativity Written by author and popular blogger Scott Berkun (scottberkun.com) The Year Without Pants shares what every organization can learn from the world-changing ideas for the future of work at the heart of Automattic's success.

CLAIRE is a sixteen-year-old fangirl obsessed with the show Demon Heart. FOREST is an actor on Demon Heart who dreams of bigger roles. When the two meet at a local Comic-Con panel, it's a dream come true for Claire. Until the Q&A, that is, when Forest laughs off Claire's assertion that his character is gay. Claire is devastated. After all, every last word of her super-popular fanfic revolves around the romance between Forest's character and his male frenemy. She can't believe her hero turned out to be a closed-minded jerk. Forest is mostly confused that anyone would think his character is gay. Because he's not. Definitely not. Unfortunately for Demon Heart, when the video of the disastrous Q&A goes viral, the producers have a PR nightmare on their hands. In order to help bolster their image within the LGBTQ+ community—as well as with their fans—they hire Claire to join the cast for the rest of their publicity tour. What ensues is a series of colorful Comic-Con clashes between the fans and the show that lead Forest to question his assumptions about sexuality and help Claire come out of her shell. But how far will Claire go to make her ship canon? To what lengths will Forest go to stop her and protect his career? And will Claire ever get the guts to make a move on Tess, the very cute, extremely cool fanartist she keeps running into? Ship It is a funny, tender, and honest look at all the feels that come with being a fan.

Set up your WordPress site today! WordPress is a state-of-the-art blog publishing platform with a focus on aesthetics, web standards, and usability. The latest version of WordPress.org will be replaced in the fall of 2018 with WordPress 5.0. This will include a major change with the addition of new editor Gutenberg.
