The Cellar (novel) - Wikipedia
THE CELLAR is just a solid horror story. It's part monster story, part haunted house and coated in the word gore that only a twisted mind like Richard Laymon could ever conjure. If you've read anything by Richard Laymon, this book doesn't stray far from his usual path of writing. There is lots of brutality, lots of taboos, lots of sex and abuse.

The Cellar by Richard Laymon - Goodreads
Richard laymon found more success in the UK than his native country for writing taut, fast paced horror thrillers. His writing style is incredibly pared down to the bare essentials. Characterisation takes a back seat to increasingly breathtaking turn of events that push the story forward.

One eventful night will change the lives of three friends forever... The Travelling Vampire Show is one of Richard Laymon's best-loved masterpieces - an evocative, nostalgic trip back to a time when innocence comes face to face with life's darker forces. Perfect for fans of Stephen King and Dean Koontz. 'This gloriously inventive piece is probably Laymon's best book yet... The prose here is rich and inventive, the atmosphere and scene-setting handled with real aplomb' - News International It's a hot August morning in 1963. All over the rural town of Grandville, tacked to power poles and trees, taped to store windows, flyers have appeared announcing the one-night-only performance of The Travelling Vampire Show. The promised highlight of the show is the gorgeous Valeria, the only living vampire in captivity. For three local teenagers, two boys and a girl, this is a show they can't miss. Even though the flyers say no one under eighteen will be admitted, they're determined to find a way. What follows is a story of friendship and courage, temptation and terror, when three friends go where they shouldn't go, and find much more than they ever expected. What readers are saying about The Travelling Vampire Show: 'The final scenes are filled with excitement and were enough to keep me awake until I'd finished the story - I don't think I could have put it down until I'd found out what happened and what was going on!' 'Just when you think that you have the storyline figured out, it twists and hurtles into a surprise ending! 'Expertly written, great dialogue, keeps you engrossed to the end'

Mark and Alison dont believe the gruesome legends of Beast House. But theyll learn the truth when they sneak in late one night.

Step right up to the land of fun... Funland is another classic horror story from the master of the macabre, Richard Laymon. Perfect for fans of Dean Koontz and Clive Barker. 'Laymon's at the top of his form in Funland, his deceptively simple prose becoming by turns humorous, horrific, stunningly erotic. The funhouse climax is not to be missed. This novel belongs on every serious horror fanatic's bookshelf' - The New York Review of Science Fiction The Funland Amusement Park provides more fear than fun these days. A vicious pack known as the Trolls are preying on anyone foolish enough to be alone at night. Folks in the area blame them for the recent mysterious disappearances, and a gang of local teenagers have decided to fight back. But nothing is ever what it seems in an amusement park. Behind the garish paint and bright lights waits a horror far worse than anything found in the freak show. Step right up! The terror is about to begin! What readers are saying about Funland: 'This book is one of Richard Laymon's best ever, with a fantastic twist at the end and non-stop heart pounding action throughout the whole novel! 'He creates a wonderful sense of atmosphere and wonderful, colourful characters which make this novel an excellent read. With a dramatic twist at the climax, you will be gripping the pages with both hands' 'With coming of age drama, love relationships and mysterious disappearances all coming together at the end to form a terrifying conclusion that comes from nowhere - excellent'

Trapped underground, how will they escape? Midnight's Lair is a terrifying journey into evil by the highly acclaimed Richard Laymon. Perfect for fans of Stephen King and Dean Koontz. Mordocks's cave is one of the wonders of the world: a place where, every year, thousands of sightseers go deep beneath the earth's surface to marvel at Nature's handiwork. But it's also home to things Nature never intended - violent, evil things. And when a power failure traps a group of tourists underground, the creatures emerge from the darkness... What readers are saying about Midnight's Lair: 'Written with Laymon's usual fast-paced, action packed, no-holds-barred style of writing, you'll find the novel difficult to put down at any point, with the next horrifying event just around the corner' 'This is 253 pages of pure splatterpunk heaven, delivering classic Laymon horror with a no-holds-barred approach and a reflection of his truly twisted imagination.

Absolutely great stuff!' 'The pace is frenetic, the characters are both endearing and repulsive, and the gratuitous violence is almost non-stop. Never have I read a book that could leave me slack jawed with horror and something akin to awe'

What do you do when a vampire comes knocking? Bite is a thrilling adventure of horror, vampires and old flames, from the master of the macabre Richard Laymon. Perfect for fans of Stephen King and Joe Hill. When Sam's ex-girlfriend Cat arrives at his door, he can't believe his eyes. It's been a long time, but he's never forgotten her. But before the night is over, Cat will be lying face down on the bed, acting as bait, and Sam will be hiding in the wardrobe with a hammer in one hand and a wooden stake in the other. They won't have long to wait. The vampire is coming. What readers are saying about Bite: 'I can honestly say that this book is brilliant, nay, a masterpiece...
