I had just moved into my first apartment and finally felt like I was free. I was holding down a job and handling everything on my own enjoying my new place until one day I found out I was ' t the only one enjoying it. Somehow and somehow I was being watched. But how and by whom? I would soon find out that there were cameras that I couldn ' t see in my apartment not by word of mouth but by watching the daily news and learning from tips I was getting from my friends on social media sites like Facebook, Snapchat, and Instagram. And what started as a small joke between close friends soon spilled over into the entertainment world from music to sports and even daytime shows until it eventually reached the head of our country, the president of the United States.

One in three adults has engaged in binge drinking at least once in the previous month, and one in five teenagers has experienced drunkenness by age 15. Harmful patterns of alcohol consumption have far-reaching consequences for individuals, society and the economy.
