Prosecutors: Men in gun conspiracy had white supremacy ties By TOM FOREMAN Jr., Associated Press Nov. 20, 2020 Updated: Nov. 20, 2020 4:15 p.m. Facebook Twitter Email LinkedIn Reddit Pinterest

When Crandal Mackey was elected commonwealth's attorney in 1903, he set his sights on the illegal bars, bordellos and casinos of Alexandria County. The Virginia county--now Arlington County and parts of Alexandria--was plagued by crime in the streets and corruption at City Hall. Armed with a shotgun and accompanied by an axe-wielding posse, Mackey embarked on a crusade, busting up saloons and conducting raids throughout the county. When the dust settled, Mackey had shut down an infamous racetrack in Del Ray and politicians on the take in Alexandria County's political machine. Yet, in 1915 he mysteriously withdrew his bid for another term. Author Michael Lee Pope uncovers the little-known story of one man's battle to rid Alexandria and Arlington of sinister vice and violent crime.

An effervescent history of beer brewing in the American capital city. Imagine the jubilation of thirsty citizens in 1796 when the Washington Brewery—the city’s first brewery—opened. Yet the English-style ales produced by the early breweries in the capital and in nearby Arlington and Alexandria sat heavy on the tongue in the oppressive Potomac summers. By the 1850s, an influx of German immigrants gave a frosty reprieve to their new home in the form of light but flavorful lagers. Brewer barons like Christian Heurich and Albert Carry dominated the taps of city saloons until production ground to a halt with the dry days of Prohibition. Only Heurich survived, and when the venerable institution closed in 1956, Washington, D.C., was without a brewery for fifty-five years. Author and beer scholar Garrett Peck taps this high-gravity history while introducing readers to the bold new brewers leading the capital’s recent craft beer revival. “Why’d it take us [DC’s brewing culture] so long to get back on the wagon? Capital Beer will answer all your questions in the endearing style of your history buff friend who you can’t take to museums (in a good way!).” —DCist “In brisk and lively prose Peck covers 240 years of local brewing history, from the earliest days of British ale makers through the influx of German lagermeisters and up to the present-day craft breweries. . . . Richly illustrated with photographs both old and new, as well as a colorful collection of her art, Capital Beer is almost as much fun to read as “sitting in an outdoor beer garden and sipping suds with friends over a long, languid conversation.”” —The Hill Rag

Behind the bucolic plantation estates of Northern Virginia lies a history of scandal. The region has a rotating cast of greedy supervisors, vain senators, bullying occupiers and party bosses. The Aryan Nations once flooded the streets of Arlington. Infamous floating brothels once sailed the Potomac. Even George Washington's death at his historic estate outside the capital is shrouded in mystery. Join journalist and author Michael Lee Pope as he serves a cookie full of arsenic on a cold platter of revenge.

"Christian Heurich (1842-1945) was Washington, D.C.'s most successful brewer. Heurich lived most of his life in Washington, becoming its largest private landowner and opening the city's largest brewery. He won a "beer war" against his rivals and his beers won medals at World's Fairs. The author chronicles Heurich's life and the evolving beer industry"--

Recounts the history of a Chicano rights group in 1960s Denver

In addition to providing an insightful account of life and work in nineteenth-century urban America, *The Horse in the City* brings us to a richer understanding of how the animal fared in this unnatural and presumably uncomfortable setting.

Prohibition, with all its crime, corruption, and cultural upheaval, ran its course after thirteen years in most of the rest of the country—but not in Memphis, where it lasted thirty years. Patrick O’Daniel takes a fresh look at those responsible for the rise and fall of Prohibition, its effect on Memphis, and the impact events in the city made on the rest of the state and country. Prohibition remains perhaps the most important issue to affect Memphis after the Civil War. It affected politics, religion, crime, the economy, and health, along with race and class. In Memphis, bootlegging bore a particular character shaped by its urban environment and the rural background of the city’s inhabitants. Religious fundamentalists and the Ku Klux Klan supported Prohibition, while the rebellious youth of the Jazz Age fought against it. Poor and working-class people took the brunt of Prohibition, while the wealthy skirted the law. Like the War on Drugs today, African Americans, immigrants, and poor whites made easy targets for law enforcement due to their lack of resources and effective legal counsel. Based on news reports and documents, O’Daniel’s lively account distills long-forgotten gangsters, criminal organizations, and crusaders whose actions shaped the character of Memphis well into the twentieth century.

A WALL STREET JOURNAL BESTSELLER! From Whole Foods CEO John Mackey and his coauthors, a follow-up to groundbreaking bestseller *Conscious Capitalism*—revealing what it takes to lead a purpose-driven, sustainable business. John Mackey started a movement when he founded Whole Foods, bringing natural, organic food to the masses and not only changing the market, but breaking the mold. Now, for the first time, *Conscious Leadership* closely explores the vision, virtues, and mindset that have informed Mackey’s own leadership journey, providing a roadmap for innovative, value-based leadership—in business and in society. *Conscious Leadership* demystifies strategies that have helped Mackey shepherd Whole Foods through four decades of incredible growth and innovation, including its recent sale to Amazon. Each chapter will challenge you to rethink conventional business wisdom through anecdotes, case studies, profiles of conscious leaders, and innovative techniques for self-development, culminating in an empowering call to action for entrepreneurs and trailblazers—to step up as leaders who see beyond the bottom line.

World-class beaches, fragrant frangipani, swaying palms, and hula girls. Most folks think of Hawaii as a vacation destination. Mob-style executions, drug smuggling, and vicious gang warfare are seldom part of the postcard image. Yet, Hawaii was once home to not only Aloha spirit, but also a ruthless, homegrown mafia underworld. From 1960 to 1980, Hawaiian gangsters grew rich off a robust trade in drugs, gambling, and prostitution that followed in the wake of Hawaii’s tourist boom. Thus, by 1980—the year Charles Marsland was elected Honolulu's top prosecutor—the honeymoon island paradise was also plagued by violence, corruption and organized crime. The zeal that Marsland brought to his crusade against the Hawaiian underworld was relentless, self-destructive, and very personal. Five years earlier, Marsland’s son had been gunned down. His efforts to bring his son’s killers to justice—and indeed, eradicate the entire organized criminal element in Hawaii—make for an extraordinary tale that culminates with intense courtroom drama. *Hawaii Five-O meets Wiseguy* in author Jason Ryan’s vigorously reported chronicle of brazen gangsters, brutal murders, and a father’s quest for vengeance—all set against an unlikely backdrop of seductive tropical beauty.
