gap between the classroom and the real world.

'Speakout' is a 6-level general English course for adults, bridging the gap between the classroom and the real world helping students express themselves in English.

"Hands Down, Speak Out is an innovative book that looks at how we can teach students how to talk and listen to one another, without all discourse running through the teacher. Kassia is a math coach and Christy is a literacy coach. Together, they show how to teach dialogue "micro-lessons" alongside content, both within and across math and literacy, so students become increasingly skilled and independent in conversations.

Their hope is that students will have better, deeper discourse within the content areas, and also beyond the classroom"--

American Speakout is a six-level series based on topics that are relevant to students' lives and global in nature. Its emphasis on authentic listening opportunities and presentation of language in context enables learners to personalize the language they learn and express themselves confidently in real English-speaking environments. American Speakout follows a balanced approach to topics, language development, and skills work. Highlights Builds learner confidence Authentic, real-world language, challenging activities, and recycling of language builds student confidence in understanding context and communication. Video clips and interviews on the street expose students to
