children skills for long-term success. Fosters social skills, proactivity, perseverance, and more. The 6 Success Factors for Children with Learning Disabilities Ready-to-Use Activities to Help Kids with Learning Disabilities Succeed in School and in Life. From the acclaimed Frostig Center comes a valuable resource for teachers and parents of children with learning disabilities. Based on a 20-year study, Frostig research has revealed six attributes that lead to long-term success for individuals with LD. This book helps teachers identify and encourage the growth of characteristics that will help students thrive in the classroom, at home, and in social situations. The book offers an array of classroom-tested, engaging activities—complete with reproducible worksheets—that have been proven to foster the "success attributes" in children. The six attributes identified by the Frostig Center are: Self-awareness Proactivity Perseverance Goal setting Use of social support systems Emotional coping strategies Each of the book's activities contains a lesson plan with goals, materials, and procedures, including teaching instructions and reproducible student worksheets. The book is designed to be both flexible and easy-to-use. All activities can be modified to accommodate a variety of learners.
