Hollow*

Tell Me About
Orchard Hollow was
the second story in
Lin Stepp's Smoky
Mountain series. This

Get Free Tell Me About Orchard

book introduced me to
Townsend, set in the
Great Smoky
Mountains. The
geography, the
mountains, the plant
life, the animals, and
the people... there's
an honesty... an
honesty that is
sometimes askew in
our concrete and steel
jungles.

Get Free Tell Me About Orchard Hollow A

Life is sometimes hard as a widowed, single mother with three young children, a business to run, bills to meet, and debts to pay. Despite it all, Rosalyn McCreary tries to count her blessings. She cherishes her shop, Second Hand Rose, her family and friends.

Get Free Tell Me About Orchard

A practical woman by necessity, she seldom indulges in impulse and fancy-except for that crazy spring day she danced with a total stranger she'd never met. Whatever was she thinking? And to learn later that her mystery stranger, Kendrick Lanier, planned to move to Wear's Valley. Great.

Get Free Tell Me About Orchard

Just one more problem she doesn't need. Kendrick soon pursues her, despite Rosalyn's efforts to crowd him out, finding ways into her life, and into the lives of her children, and creating complications Rosalyn simply doesn't want to deal with. Especially since the more she learns

Get Free Tell Me About Orchard

of the man's life and secrets, the more she realizes how ill-suited they are. With

Rosalyn and Kendrick's troubled pasts, and Rosalyn's temper, you'll find it a toss-up to decide if these two stubborn, determined individuals should, or shouldn't, ever get together.

parted. Not that she
places much stock in
words anymore. After
all, Carter drove off to

Smokies home. Now a widower with a young son, Carter has achieved huge success as a games developer. But he always planned to return to the spring-fed lake and the soaring mountains, to the covered bridge where he and Rhea made wishes and traded kisses. He's

planned to build

Stepp's Makin'

Miracles is an
inspiring tale that
reveals why love and
forgiveness are most
important just when
they seem most
impossible. . . Zola
Devon has always

Get Free Tell Me About Orchard

been a little different. Half Tahitian, with long black hair and dark eyes, she's especially distinctive in the mountain town of Gatlinburg. She even stocks her gift shop, Nature's Corner, with items that reflect her island heritage and tantalize tourists. But it's her spot-on intuition that

Get Free Tell Me About Orchard

truly sets Zola apart.

When she gets a hunch about a person, she's almost always right. And when the surly photographer who owns the gallery next door starts meddling in her business, she can only hope that, for once, her instincts are wrong. The one thing

Spencer Jackson

Get Free Tell Me About Orchard

loves more than his camera is the majestic scenery of the Smoky Mountain Novel. Reeling from his painful past, he's settled in a cabin in the woods to train his lens on the breathtaking landscape. A woman as uniquely beguiling as Zola could only throw his simple,

Uncomplicated days
into chaos--and force
him to lay bare his
darkest secrets. But
as their lives become
unavoidably
intertwined, they both
may discover the
beauty of the truth,

unexpected. Praise

Get Free Tell Me About Orchard

A young woman with six foster children under twelve hopes for patience, peace, and a bigger house - but love? Not hardly. However, sometimes fate deals an unexpected hand. When Alice Graham came back to look at the sale property at the base of the Smoky Mountains in

Get Free Tell Me About Orchard

Greenbrier, it was absolutely not because of that recurring dream of the cowboy. She'd seen him high on the ridge top back in the winter and felt a peculiar drawing and attraction flash between them - but she certainly never expected to see him again. When she did, a month after

Get Free Tell Me About Orchard

buying the rural property, that odd attraction surprisingly still sizzled in the air.

It seemed unlikely though that anything would come of any romantic feelings, because Alice had bought the property as a home for herself and the six Stuart siblings she'd agreed to foster. Six kids

any man off right

with unsolved
mysteries and
unpleasant rumors
floating around in his
past. However, fate
soon pushed Harrison
into mixing with
