business or advance in their career. That's not true. The vast majority of modern business practice requires little more than common sense, simple arithmetic, and knowledge of a few very important ideas and principles. The Personal MBA 10th Anniversary Edition provides a clear overview of the essentials of every major business topic: entrepreneurship, product development, marketing, sales, negotiation, accounting, finance, productivity, communication, psychology, leadership, systems design, analysis, and operations management...all in one comprehensive volume. Inside you'll learn concepts such as: The 5 Parts of Every Business: You can understand and improve any business, large or small, by focusing on five fundamental topics. The 12 Forms of Value: Products and services are only two of the twelve ways you can create value for your customers. 4 Methods to Increase Revenue: There are only four ways for a business to bring in more money. Do you know what they are? Business degrees are often a poor investment, but business skills are always useful, no matter how you acquire them. The Personal MBA will help you do great work, make good decisions, and take full advantage of your skills, abilities, and available opportunities--no matter what you do (or would like to do) for a living.
